August 2023

Dear Goose Creek CISD Family,

There are so many exciting things happening across our district for the 2023-2024 school year. From our new Pre-K facilities, to our Career Academies, to alignment with our robust dual credit programs offered, you play an integral part in our continuous improvement process. I want to thank you in advance for accepting the charge to go above and beyond the call of duty to provide the highest quality education possible for our students. The phrase “Here, We Grow Giants” is more than a theme for us; it has become who we are!

On behalf of the Goose Creek CISD Board of Trustees and our Executive Leadership Team, I thank you for your commitment to our district. Have a wonderful school year!

Sincerely,

A handwritten signature in black ink that reads "Randal O'Brien". The signature is written in a cursive style with a large initial "R" and "O".

Dr. Randal O'Brien
Superintendent of Schools

Introduction

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are, have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to the Human Resources Department.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of non-contract employees in any way. Rather, it is a guide too, and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. District policies can be accessed online at www.gccisd.net.

District Information

Mission Statement, Goals, and Objectives

Policy AE

In pursuit of academic excellence for every student, the District is committed to providing an outstanding education for every child by being a nurturing, innovative, and participatory organization that produces citizens who will be equipped to successfully meet the cultural, intellectual, and social challenges of a changing world.

Board of Trustees

Policies BA, BB series, BD series, and BE series

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members are elected every other year and serve 4-year terms. Board members serve without compensation, must be qualified voters, and must reside in the district.

Current board members include:

- Tiffany Guy, President
- Howard Sampson, Vice President
- Helen Berrott-Tims, Secretary
- James Campisi, Assistant Secretary
- Richard Clem, Board Member
- Jessie Martinez, Board Member
- Mercedes Renteria III, Board Member

The board usually meets the 1st Monday of each month at 6:00 pm. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district website and at the Administration Building located at 4544 Interstate 10 East in Baytown, Texas, at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with one-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition,

certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

Employment

Equal Employment Opportunity

Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, Goose Creek CISD does not discriminate against any employee or applicant for employment because of race, color, religion, gender, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination extends to employment. Inquiries about the application of the Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the district Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex including sexual harassment: Dr. Matt Bolinger, Assistant Superintendent of Human Resources, 4544 Interstate 10 East Baytown, TX 77521, matthew.bolinger@gccisd.net, at 281-707-3539. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability:

Holli Pharis, Senior Director of Special Education, Holli.Pharis@gccisd.net at 281-420-4520.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent at 281-707-3220.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are posted on a regular basis to the district's website.

Employment after Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment After Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Non-contract Employment

Policy DC series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts. Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. Under our District of Innovation Plan the probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district will be three years. For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification will be employed by term contracts after they have successfully completed the probationary period.

The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive an electronic copy of their contract. Employment policies can be accessed online, or copies will be provided upon request.

Noncertified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as non-instructional administrators) are employed by a two-year contract term that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses

Policies DBA, DF

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the **Human Resources Department** in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify the Human Resources Department when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact the **Certification Officer** if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact **the Human Resources Department** if you have questions regarding reverification of employment authorization. Failure to verify

employment authorization may result in termination.

Searches and Alcohol and Drug Testing

Policy CQ, DHE

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted for the following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the **Human Resources Department**.

Health Safety Training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary

resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the Director of Athletics/ Physical Education by the 1st Monday of August.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. An assignment change request must be completed electronically through the districts' Employee Service Center. All transfer requests will be coordinated by the Human Resources office and must be approved by the receiving supervisor.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at will and

receive notification of the required duty days, holidays, and hours of work for their position. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

Campus Employee Daily Time Schedules

Daily assigned time schedules for all employees shall be determined by the Superintendent or designee and principals. The chart below designates the minimal hour assignments for all contract employees. Principals can or may extend time for contract employees to attend meetings, cover duties or assignments as needed.

All paraprofessional campus employees work an eight-hour workday. In addition to the workday, they take a 30-minute duty-free lunch. The duty-free lunch is unpaid. The campus principal determines the assigned workday hours for paraprofessionals.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact the Benefits Department (281) 707 - 3236.

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking PWFA accommodation should contact the Benefits Department (281) 707 – 3236 to begin the interactive process.

Notification to Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the district is required by the **Every Students Succeeds Act** (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child’s teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the **Human Resources Department**.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or in the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policy DN series

Evaluation of an employee’s job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee’s assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the

district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive an electronic copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Employee Involvement

Policies BQA, BQB

At both the campus and district levels, Goose Creek CISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision- making process are available in each campus office or from the Curriculum and Instruction Department.

Professional Growth/ Staff Meetings

It is important that school employees attend scheduled district/ campus meetings on time and stay until the meetings are completed. If an absence from a meeting is unavoidable, or if it is necessary to arrive late or leave early the person in charge of the meeting and the respective Principal should be given this information prior to the beginning of the meeting.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid semi-monthly salaries; and are not entitled to overtime compensation. Other employees are generally classified as non-exempt and are paid an hourly wage and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek.

Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Payroll Department for more information about the district's pay schedules or their own pay.

Annual Verification of Compensation

It is the responsibility of the employees to verify their salary and benefits information annually. This information is available through the TEAMS Employment Service Center. The TEAMS Employee Service Center will ask the employee to verify that the information is correct or submit a request for their information to be reviewed by Human Resources. The district will correct salary errors for the current school year only, if reported by November 1st for current employees or sixty (60) days after employment for new hires.

Paychecks and W-2 Forms

All salary and hourly employees are paid semi-monthly. Paychecks and W-2 Forms will not be released to any person other than the district employee named on the check and W-2 Form. An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated, and is available on the TEAMS Employee Service Center.

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS)
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- FICA Alternative (part-time employees who are not TRS eligible.)

- Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; flexible spending and health saving accounts; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations and certain charitable contributions approved by the board. Salary deductions are automatically made for unauthorized or unpaid leave.

Overpayments. Employees are not entitled to any funds the district overpays. An agreement between an employee and the district must be in place in order to deduct any overpayment from one or more paychecks if an overpayment occurs.

Overtime Compensation

Policies DEAB, DEC

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees, auxiliary, and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule.

Nonexempt employees whose pay is annualized are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours. For the purpose of calculating overtime, a workweek begins on Saturday and ends on Friday.

Comp Time

Employees may be compensated for overtime with compensatory time off (comp time) or direct pay at a rate of time and a half. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- If an employee's comp time balance accumulates 60 or more hours, the payroll department will automatically pay down to 30 hours on the next paycheck.
- Any unused comp time as of June 30th of each year, will be paid off according to payroll schedule.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee is to be required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor and Executive Director must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage and meals.

Health, Dental, and Life Insurance

Policy CRD

Group health insurance coverage is provided through TSHBP (Texas Schools Health Benefits Program). The district's contribution to employee insurance premiums is determined annually by the GCCISD Board of Trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 30 or more regularly scheduled hours per week

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year, or when they experience a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are available to all employees on the district website under Benefits. Employees should contact the Benefits Department for more information.

Current employees can make changes in their insurance coverage during open enrollment. Employees should contact the Benefits Department for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs for Hospital Indemnity, Dental, Vision, Critical Illness, Cancer, Disability, Individual and Group Life, Identity, and Accident. Premiums for these programs can be paid by payroll deduction. Employees should contact the Benefits Office for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., medical, gap, critical illness, cancer and dental, vision, additional term life insurance and accident insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis during the specified time period.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from the Texas Association of School Boards Risk Management Fund.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to their Supervisor. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Human Resources Department.

Teacher Retirement

Policy DEG

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitute's not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Human Resources Department as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov).

Leaves and Absences

Policies DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence.

Employees who expect to be absent for an extended period of more than five days should call the Benefits Department for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

If a position requires a substitute, only half or whole day increments may be used. If the position does not require a substitute, ¼ hour increments may be used. However, if an employee is taking intermittent family and medical leave, leave shall be recorded in one-hour increments. When possible, earned comp time shall be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local Sick Leave
- State Sick Leave
- State Personal Leave

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in a deduction from the employee's pay and will begin as outlined by the payroll schedule until all pay has been deducted.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for 3 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, or son-or daughter-in-law, stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or another individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law.
- Grandparents and grandchild
- Any person residing in the employee's household at the time of illness or death.

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA (LEGAL).

Medical Certification. Any employee who is absent 3 or more days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when employee requests leave under the Family and Medical Leave Act (FMLA) for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member

of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave. Under TSHBP rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FMLA. If an employee’s unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Paid Leave

The following leave types are all paid leave: Vacation, State Personal, State Sick, Local Sick, and Sick Bank. Once an employee has used all available paid leave, the employee will be docked their daily or hourly rate according to the payroll schedule.

Vacation

Vacation

Twelve-month employees of the District shall be eligible for vacation each year with pay. Employees shall earn vacation days based on the number of days employed and the years of service with the District. Vacation days begin to accrue from the first day of employment.

Twelve- month employees with less than 10 years of service in the District shall earn vacation days at the rate of .0417 days of vacation for each day of employment within the period July 1 through June 30. This is a total accumulation of 10 vacation days.

Twelve- month employees with 10 to 19 years of service in the District shall earn vacation days at the rate of .0625 days of vacation for each day of employment within the period July 1 through June 30. This is a total accumulation of 15 vacation days.

Twelve- month employees with 20 or more years of service in the District shall earn vacation day at the rate of .0833 days of vacation for each day of employment with the period July 1 through June 30. This is a total accumulation of 20 vacation days.

In computing the vacation days earned, an employee shall receive a full day of vacation for each fractional day at or above .50.

A maximum of 5 days of vacation may be carried forward to the following fiscal year (July 1-June 30). Therefore, on July 1st, employees with more than 5 unused vacation days will lose the excess days.

Those employed after July 1 of a school year shall earn a prorated share of vacation time based on the above formula.

Maintenance, Transportation, and Operations employees who now receive three and four weeks of vacation, and those eligible to receive three and four weeks during the 1989-90 school year will be “grandfathered” under the previous policy. Personnel “grandfathered” at three weeks of vacation will be eligible for four weeks of vacation with their twentieth year of service.

Vacation day requests for one to three days must be submitted to and approved by the immediate supervisor with at least three days’ notice. Vacation requests for four or more days should be submitted for approval at least two weeks in advance. Only two weeks of vacation may be taken at one time. No vacations may be taken after the last day of a GCCISD Summer Hours Workweek and the first week of school unless there are extenuating circumstances. Exceptions must be approved by the Superintendent.

State Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee’s usual assignment. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: non-discretionary and discretionary. Discretionary personal leave may not be taken for more than two consecutive days and are limited to five days per semester. Use of personal leave on any specific day is subject to approval of the supervisor.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered non-discretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee’s discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor 3 days in advance of the anticipated absence and may not exceed 2 consecutive days. Personal leave days are limited to 5 per semester. The effect of the employee’s absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from

employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Sick Leave

All employees shall earn additional workdays of local sick leave as described in policy DEC (Local). Employees who are hired after the beginning of the school year, or leave before the end of the school year, shall earn a prorated number of sick leave days. Local sick leave shall accumulate without limit.

Sick Leave Bank

As described in District policy, the Sick Leave Bank (SLB) is a bank of local sick leave days established on a voluntary basis by full-time District staff members and those employed specifically for half-time positions to be used by any member of the SLB who suffers a personal illness/injury and who have exhausted all available paid leave. Sick Leave shall run concurrently with FMLA or TDL leave, if applicable.

Only those employees who have donated leave days and opted to join SLB are eligible for such leave. Employees shall have an opportunity each school year to join the SLB.

A SLB member may be granted up to 15 days for a serious illness or injury involving a spouse or children. Bank members may request additional days after the initial fifteen days for a serious illness or injury involving a spouse or children. Consideration and granting of additional days shall be contingent on the number of days available to the bank from employees leaving the district. Additional days granted may not exceed 45 days for a total of 60 days.

The number of SLB leave days granted in any one school year will not exceed the remaining number of duty days a SLB member is scheduled to work in that school year according to the District calendar for his or her position.

Contributing to the Bank

Contributions to the Sick Leave Bank shall be made according to the following provisions:

1. All full-time employees of the District who have sick leave benefits are eligible for initial membership in the Sick Leave Bank.
2. To be a member of the SLB for one school year, an employee shall contribute a minimum of two days of local sick leave on initial enrollment. Membership in the SLB is carried forward from one year to the next. In subsequent years, members shall be required to make a one-day contribution at the beginning of each calendar year in order to continue their membership in the SLB. New employees may join the SLB within 30 days of employment.
3. Sick leave days contributed to the SLB not used in a school year shall be carried over from one school year to the next.
4. No SLB member shall be required, for the purpose of maintaining status in the SLB, to contribute more sick leave days than other members. However, the SLBC shall have the authority to request additional days from current members if needed. If a current member does not donate to the emergency request, his/her ability to use the SLB is NOT affected.
5. Eligible employees who do not initially elect to join the SLB shall annually be offered the opportunity to join the SLB before the annual open enrollment period.
6. A SLB member who is separating from employment may donate accrued local sick leave at the time of separation.

Unpaid Leave

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Your Employee Rights Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with job-protected leave for qualifying family and medical reasons. The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take up to 12 workweeks of FMLA leave in a 12-month period for:

- The birth, adoption, or foster placement of a child with you,
 - Your serious mental or physical health condition that makes you unable to work,
 - To care for your spouse, child, or parent with a serious mental or physical health condition, and
 - Certain qualifying reasons related to the foreign deployment of your spouse, child or parent
-

who is a military service member.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness may take up to 26 workweeks of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in one block of time. When it is medically necessary or otherwise permitted, you may take FMLA leave intermittently in separate blocks of time, or on a reduced schedule by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is not paid leave, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

Am I eligible to take FMLA leave?

You are an eligible employee if all of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew employees have different "hours of service" requirements.

You work for a covered employer if one of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or

5/22/2023 Leaves and Absences 39

- You work for a public agency, such as a local, state, or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management

How do I request FMLA leave?

Generally, to request FMLA leave you must:

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You do not have to share a medical diagnosis but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You must also inform your employer if FMLA leave was previously taken or approved for the same reason when requesting additional leave.

Your employer may request certification from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress

What does my employer need to do?

If you are eligible for FMLA leave, your employer must:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits, and other working conditions, including shift and location, at the end of your leave.

Your employer cannot interfere with your FMLA rights or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your employer must confirm whether you are eligible or not eligible for FMLA leave. If your employer determines that you are eligible, your employer must notify you in writing:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

Where can I find more information?

Call 1-866-487-9243 or visit dol.gov/FMLA to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. Scan the QR code to learn about our WHD complaint process.

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period:

- **measured backward from the date an employee uses FML**

Use of Paid Leave. FMLA runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FMLA, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FMLA to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregivers leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FMLA due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FMLA designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

Reinstatement. An employee returning to work at the end of FMLA will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

District Contact. Employees that require FMLA or have questions should contact the Benefits Department for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Any full-time employee shall be eligible for temporary disability leave. The maximum length of temporary disability leave shall be 180 calendar days. [See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.]

An employee's notification of the need for extended absence due to the employee's own medical condition shall be forwarded to the Benefits Department or designee as a request for temporary disability leave.

Return to Work/Modified Duty Program

The district offers a Return to Work / Modified Duty Program to transition employees back to work with restrictions. Any employee who has been off work due to an injury or illness under FMLA, TDL, or WC, and has been released to return to work with restrictions is eligible for this program. Any employee who falls in this category should contact the Benefits Department for instructions. The Benefits Department will work with supervisors on accommodating requested restrictions and assist with employees returning to work. All approved accommodation will be subject to 2 week increments not to exceed 60 days.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days. An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person not responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted from their daily or hourly rate if accrued paid leave is not available.

Bereavement Leave

Approved leave for death in the immediate family shall be for not more than three workdays for each occurrence, subject to the approval of the supervisor/principal and shall not be deducted from state or local sick days.

The term "immediate family" is defined as:

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or another individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, sibling-in-law.
5. Grandparent, Grandparent-in-law, and grandchild.

6. Any person in the employee's household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Jury Duty

The district provides paid leave to employees who are summoned to jury duty. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district with a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees will be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearance

An employee who is a parent or guardian of a child and any court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when

engaged in authorized training or duty ordered by proper authority. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment within the time specified by law to the Human Resources Department. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Benefits Department for details on eligibility, requirements, and limitations.

Mental Health Leave for Peace Officers and Licensed Telecommunicators

A district shall develop and adopt a policy allowing the use of mental health leave by peace officers employed by the district who experience a traumatic event in the scope of that employment.

The mental health leave policy must:

1. Provide clear and objective guidelines establishing the circumstances under which a peace officer is granted mental health leave and may use mental health leave;
2. Entitle a peace officer to mental health leave without a deduction in salary or other compensation;
3. Enumerate the number of mental health leave days available to a peace officer; and
4. Detail the level of anonymity for a peace officer who takes mental health leave.

The mental health leave policy may provide a list of mental health services available to peace officers in the area of the district.

Quarantine Leave for Peace Officers

The district shall develop and implement a paid quarantine leave policy for peace officers who are employed by the district and ordered to quarantine or isolate due to a possible or known exposure to a communicable disease while on duty.

A paid quarantine leave policy will include:

- Provide that a peace officer on paid quarantine leave receive:
 - All employment benefits and compensation, including leave accrual, pension benefits, and health benefit plan benefits for the duration of the leave; and

- Reimbursement for reasonable costs related to the quarantine, including lodging, medical, and transportation; and
- Require that the leave be ordered by the person's supervisor or the district's health authority.
- A district will not reduce a peace officer's sick leave balance, vacation leave balance, holiday leave balance, or other paid leave balance in connection with paid quarantine leave taken in accordance with the district's policy.

Local Gov't Code 180.008

Leave for Police Officers for Illness or Injury

A full-time district employed licensed police officer who regularly serves in a law enforcement capacity in a district police department is entitled to a paid leave of absence (LOA) for an illness or injury related to the person's line of duty. If necessary, the leave shall continue for at least one year.

If unable to return to work at the end of the paid leave and any extension, a police officer may use accumulated sick, vacation, and other accrued leave before being placed on unpaid temporary leave.

At the end of temporary leave, the police officer will be reinstated at the same rank and with the same seniority the person had before going on temporary leave.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include awards for years of service.

District Communications

Throughout the school year, the Communications Department publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements. They include the following:

The Journal- Issued every 6 weeks (sign up on GC website to receive it automatically).

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints can be found on the district website, Human Resources page.

Employee Conduct and Welfare

Standards of Conduct

Policy DH

All employees are expected to work together in a cooperative spirit to serve the best interests of the district and to be courteous to students, one another, and the public. Employees are expected to observe the following standards of conduct:

- Recognize and respect the rights of students, parents, other employees, and members of the community.
- Maintain confidentiality in all matters relating to students and coworkers.
- Report to work according to the assigned schedule.

Employee Standards of Dress

An employee's dress and grooming shall be clean, neat, in a manner appropriate for his or her assignment, and in accordance with the standards below. To further the expectation of an optimal learning and educational environment, where the public is welcome, employees are to dress with professionalism.

The standard of dress has been established to

- Reflect the high standards of the community, adhering to good taste, modesty, and dignity;
- Create an atmosphere of respect for authority, set a positive role model for the students, promote safety, and encourage proper personal hygiene and grooming; and
- Promote a consistent standard of dress and grooming.

Employee Use of Face Coverings

Appropriate and consistent use of face coverings is more important when students, teachers, and staff are transitioning indoors and/or when social distancing of at least 6 feet is difficult to implement or maintain.

Face coverings are defined as a mask and/or full-face shield. Masks include non-medical and medical grade disposable face masks and cloth face coverings (over the nose and mouth). Full-face shields may be used in place of a mask to protect eyes, nose, and mouth whenever a mask is not feasible or whenever the education context mix benefits from the ability to see an individual's full face. (TEA SY 20-21 Public Health Planning Guidance, Jul 28, 2020, page 6)

ALL employees are welcomed and/or encouraged to wear appropriate face coverings as described above. Face coverings are optional for this year.

These guidelines will be reviewed on an ongoing basis to ensure that they address the standards of the community and the District. Using the following guidelines, site administrators have the final decision to enforce acceptable employee dress and grooming standards.

General Guidelines

Employees are to wear clothing that is neat and clean. Employees are not to wear clothing that is tight, revealing, torn, tattered, dirty, excessively faded, containing visual or written content, other than authorized district attire, or which is actually or potentially disruptive to the school environment. The site administrator may designate up to one day per week as "school spirit" day. On that particular day, it is permissible to wear an approved shirt with a school logo with solid color wind suits or jeans. On special days/events (i.e., Western Day and Red Ribbon Week, etc.) the site administrator may also designate special attire. This special attire must adhere to general dress code guidelines. The site administrator will determine dress for workdays and site-based

staff development days.

Coaches assigned to a physical education/athletics class during the day who begin the workday in the classroom and then must return to the classroom after teaching the physical education/athletics class will be allowed the option of completing the school day in coordinated warm-ups or wind suits and athletic shoes.

Coaches who begin the workday in physical education/athletics class will be allowed to begin the day in attire listed under physical education/athletics guidelines but will be expected to change into dress guidelines for classroom teachers for their initial daily classroom assignment. After the initial classroom assignment, a coach who returns to physical education/athletic class will be allowed to follow guidelines listed in the second statement above.

All Employees- full-time, part-time, substitute, or temporary- must wear their official GCCISD ID badge while on District property, on duty, or while representing GCCISD off District property. Badges will be visible at all times with the picture facing forward. Wearing ID badges during extracurricular events is voluntary unless the employee is on duty.

The official GCCISD ID badge should be worn only by the individual to whom it was issued.

Damaged or Misplaced ID badges

Employees shall immediately report the loss of an ID badge to Human Resources to request a duplicate. Replacement badges due to damage or legal name change will be provided by the District, however you must present the damaged badge to Human Resources at the time of replacement. If the badge is misplaced or lost, a replacement fee of \$10.00 will be incurred by the employee.

Discrimination, Harassment, and Retaliation

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are

encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

Harassment of Students

Policies DH, DHB, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below:

Reporting Suspected Child Abuse

Policies DG, FFG, GRA

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code §26.001, to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student's or minor's development, learning, or

- psychological functioning;
- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or
- Sexual conduct harmful to a student's or minor's mental, emotional, or physical welfare.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at Student Services. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually

abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child’s mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in ***Reporting Suspected Child Abuse***

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Scope and Sequence

Policy DG

If a teacher determines that students needs more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district’s scope and sequence.

The district may take appropriate action if a teacher does not follow the district’s scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

Technology Resources

Policy CQ

Goose Creek CISD allows certain employees to utilize different District-owned technology resources (computers, laptops, tablets, cell phones, networks, e-mail accounts, cloud storage, devices connected to GCCISD networks, all district-owned devices used on or off school property, etc.). Use of a District-owned technology resources is a privilege, not a right and are primarily for administrative and instructional purposes. With this privilege comes responsibility. Participating employees are responsible at all times for the proper use of the technology resources and are required to abide by the provisions of the acceptable use agreement and administrative procedures. Failure to comply with the guidelines set forth may result in suspension of access, termination of privileges, and may lead to disciplinary and/or legal action. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district

- Does not unduly burden the district's computer or network resources
 - Has no adverse effect on job performance or on a student's academic performance
 - Has no commercial purpose; and
 - Is limited in the same manner as personal use of the District's voice telephone system.
- An employee shall not use technology resources for personal use while assigned to other duties.

Any user identified as a security risk, as having improperly used District technology resources, or as having violated District and/or campus acceptable use policies or administrative regulations may be denied access to District technology resources.

The Superintendent or designee shall develop and implement administrative regulations, guidelines, and user agreements consistent with the purposes and mission of the District and with law and policy.

Networked communication systems such as Instant Messaging, Online Chat, Video Conferencing and Web-exing, are real-time network communication systems and are primarily available for instructional and administrative purposes. Information shared using these systems should be transitory in nature, as documented under Email Retention Transitory Information 1.1.057.

Use of any Districts technology resources shall not be considered confidential or private (including but not limited to e-mails, direct messaging, text messages, locally stored files, cloud stored files, etc). Designated District staff shall be authorized to monitor the District's technology resources at any time to ensure appropriate use.

1. Employees are responsible for the content stored on the technology device. Users may download personal content to the device as long as it meets the expectations set forth in Board Policy, Employee Handbook, Administrative Guidelines and other legal or district requirements. Any personal content on District technology resources shall not be considered private and may be monitored or accessed to ensure appropriate use of the device(s).
2. The technology device must be secured with a passcode/password at all times. Incidents or suspected incidents of unauthorized access and/or disclosure of confidential data are to be immediately reported to the campus principal or immediate supervisor and the Technology Department.
3. Goose Creek CISD reserves the right to remotely wipe, without notice, all data from the technology device if confidential data is suspected to be at risk of disclosure, the Operating System is suspected to have been breached, or a violation of Board Policy or the Employee Handbook. Costs incurred by an employee for personal content on the District device will not be recoverable. For example: if an App is downloaded that is determined to contain inappropriate content (sexually explicit, obscene, etc.) and the device is wiped/reset, the employee will not be reimbursed for any personal purchased App.

4. Users will not change or remove (or attempt to change or remove) security features on the technology device. “Jailbreaking” is not allowed.
5. Users must take reasonable measures to safeguard the device from damage, loss or theft such as using the district provided protective case. Users must immediately report damage, loss, or theft of the technology device to the campus principal or immediate supervisor and file a police report where appropriate. Users are responsible for the cost of replacing lost or damaged technology resources and associated accessories, such as power cords.
6. When requested by the District, or upon separation of employment, the participating employee agrees to return the technology device, case, charger, and any other District-issued accessories to their campus principal or immediate supervisor in the same condition it was issued, less reasonable wear.
7. If a user fails to return the technology device, case, charger, and any other accessories upon request or upon separation from employment, the employee hereby consents to the District deducting from his or her final paycheck the cost of replacing the technology resource and related accessories. As a means of reference, as of June 2021, iPad cost is \$319.00, power adaptor and cable are \$35.00, and case is \$57.55. This cost is subject to change as equipment costs change.
8. The assigned technology device remains the property of Goose Creek CISD at all times, including while being used or possessed by the participating employee. This includes any technology items that may have been purchased through grants, donations, sponsorships, gifts, or other District-related activities, such as Classwish.org, Donorpages.com, or Donorschoose.org.
9. If a user is issued a district cell phone, the phone must be turned on and kept with you at all times when on duty or on call. Otherwise, the device must be securely stored.

Employees with questions about computer use and data management can contact the Technology Department.

User Responsibility

The individual in whose name a system account is issued will be responsible at all times for its proper use. If inappropriate use or activity is witnessed, it should be reported to a supervisor. User accounts and passwords are not to be shared or disclosed to any other individual. Inappropriate use of personal computing and electronic communication may result in disciplinary action, up to and including termination of employment.

District computers will provide a best effort at filtering access to visual depictions that are obscene, pornographic, inappropriate for students, or harmful to minors, as defined by the federal Children’s Internet Protection Act and as determined by the Superintendent or designee.

While operating District-owned vehicles or power equipment, employees may not use personal electronic communication devices.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media violates state or federal law or district policy, or interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content. Employees are prohibited from communicating with students through a personal social network site.

- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even

when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:

Using broadband Internet service or any other ability to connect to the Internet outside of the district’s internet filtering or wide area network is prohibited. Teachers and staff must use the district’s visitor wireless network and abide by all guidelines included in this handbook.

Data Privacy and Information Security

Employees play an important role in keeping Goose Creek CISD’s sensitive information secure. Many employees may come into contact with sensitive information on a daily basis. Examples of “sensitive information” at Goose Creek CISD include:

- addresses;
- dates of birth;

- Users will not disclose or transmit GCCISD confidential or sensitive data on social media, personal email, personal instant messaging, etc.
- Users will not attempt to access or alter any information that they are not authorized to access.

Vetting Third-Party Services and Applications

Goose Creek CISD uses online services and integrations with third-party systems as part of its daily operations. Each of these systems must be vetted for data privacy and security prior to being utilized. It is the responsibility of every district employee to ensure that a system is vetted prior to being utilized. This includes mobile apps, computer programs, online services, etc. that may have access to district data. Before utilizing a third-party service or application, a third-party

risk rating must be conducted, and a Data Privacy Agreement signed. Any concerns that arise from the risk rating or DPA will then be addressed with the third-party to try and resolve them. Any remaining risk or concerns that cannot be resolved must be approved by the Superintendent before use. For more information on getting a third party vetted, contact the Technology Department.

Guidelines for keeping this information secure are:

Make sure sensitive information is physically secure.

- Lock up or password protect documents containing sensitive information when not using them. This includes employee information and any student information.
- Shield information from view when others (non-authorized people) are near.
- Lock cabinets or computer screens before walking away.
- Don't leave sensitive items like employee records or student information on desks or in unlocked cabinets.
- Keep mobile devices (laptops, smartphones, tablets, USB drives, etc.) either within your sight or locked up at all times. Use password protection and auto lock screens to further protect these devices.

Manage your passwords.

- Do not reuse passwords on different accounts. Note: Goose Creek CISD does use Single-Sign On integrations between many systems. This is not password re-use as it is still using a single authentication credential.
- Do not use your district password on ANY non-district account.
- Do not share passwords with others.

Understand data privacy security to protect student and employee data.

- FERPA – The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. FERPA requires staff to take reasonable steps to protect student records and information. Under FERPA, parents and eligible students may inspect, review, and request to amend education records. Some best practices include verbally discussing student information rather than sending student data via email and checking with the Technology Department to ensure software and websites are properly vetted before allowing students to use them. More information can be found at <https://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html> or by calling 1-800-USA- LEARN
- COPPA – Children's Online Privacy Protection ACT (COPPA) imposes certain requirements on operators of websites or online services directed to children under 13 years of age. Employees can help ensure compliance with COPPA by

understanding what data is collected by a website or application, and ensuring the websites or applications are properly vetted by the Technology Department before allowing students to use them. More information can be found at: <http://www.coppa.org/coppa.htm>.

- CIPA – The Children's Internet Protection Act (CIPA) was enacted by Congress in 2000 to address concerns about children's access to obscene or harmful content over the internet. CIPA requires that districts have an internet safety policy that includes technology protection measures which block or filter internet access (on computers used by minors) to pictures that are (a) obscene; (b) child pornography; or (c) harmful to minors. Internet safety policies must include monitoring the online activities of minors, and as required by the Protecting Children in the 21st Century Act.1), must provide for educating minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms; and cyberbullying awareness and response. More information can be found at: <https://www.fcc.gov/consumers/guides/childrens-internet-protection-act>.
- PPRA - The Protection of Pupil Rights Amendment (PPRA) is a federal law that requires schools to obtain written consent from parents before minor students are required to participate in any U.S. Dept. of Education funded survey, analysis, or evaluation that reveals information concerning the following areas: political affiliations; mental and psychological problems potentially embarrassing to the student and his/her family; sex behavior and attitudes; illegal, anti-social, self-incriminating and demeaning behavior; critical appraisals of other individuals with whom respondents have close family relationships; legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers; religious practices, affiliations, or beliefs of the student or student's parent; or income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.) Securely destroy sensitive information when no longer needed.

- Secure shredding is the preferred disposal method of hard copy documents with sensitive information.
- Destruction of electronic data should be done according to the Technology Department's Data Destruction Guidelines.

Data Incident Reporting (Privacy or Security)

Policy CQB

Any user that becomes aware of a possible data breach/disclosure, indicators of data or technology resource(s) compromise, or any other cybersecurity concerns must notify the Technology Helpdesk so the issues can be documented and investigated according to the Technology Incident Response Plan.

Upon discovering or receiving notification of a breach of system security, the District cybersecurity coordinator shall disclose the breach to affected persons or entities in accordance with the timeframes established by law.

The District shall give notice by using one or more of the following methods:

- Written notice.
- Electronic mail, if the District has electronic mail addresses for the affected persons.
- Clear posting on the District's website.
- Publication through broadcast media.

Data Retention and Records Management

Policy CPC

A District employee must make provisions to retain documents and messages in accordance with the district's records retention policy, CPC Legal and Local. Each user is responsible for using the proper records retention practices.

Each individual employee who creates and maintains electronically stored information (ESI), is responsible for determining the retention of the ESI and maintaining it in compliance with District, state, and federal records retention requirements.

In the event the ESI was not created by a District employee, then the employee who received the ESI or responded to the ESI will be responsible for its retention and maintenance. The Technology Department will consider e-mail as administrative correspondence and will, therefore, maintain retention according to the state control schedule.

The individual who creates and maintains ESI or who received or responded to ESI may delete or erase the ESI when it is no longer required to be maintained in connection with a claim or pursuant to District, state, or federal records retention requirements.

For more information, please visit Texas State Library and Archives Commission Records Control Schedules Administrative (GR Schedule):
<https://www.tsl.texas.gov/slr/recordspubs/gr.html>

The district's email system is a communication system and is not intended to be the primary records retention repository.

- The retention requirement associated with any document is determined by its content, not the method of delivery.
- The responsibility of retaining an internally created and distributed document (or message) most often falls on the author – not the recipients.
- Employees who receive messages from outside the district are responsible for proper records retention of those messages.
- Email that has been requested in a subpoena or public information request must be retained until the request has been addressed, even if the retention period has expired.

The content and function of an email message determines the retention period for that message. All emails sent or received by an agency is considered a state record. Therefore, all email messages must be retained or disposed of according to the agency's retention schedule. Email systems must meet the retention requirements found in Texas Administrative Code 6.94(e). Email generally falls into several common record series categories. These are:

1. Administrative Correspondence. 1.1.007 – Incoming/outgoing and internal correspondence, in any format pertaining to the formulation, planning, implementation, interpretation, modification, or redefinition of the programs, services, or projects of any agency and the administrative regulations, policies and standards that govern them. Subject to archival review. Retention: 3 years.
2. General Correspondence. 1.1.008 – Non-administrative incoming/outgoing and internal correspondence, in any media, pertaining to or arising from the routine operations of the policies, programs, services, or projects of an agency. Retention: 1 year.
3. Transitory Information. 1.1.057 – Records of temporary usefulness that are not as integral part of a records series of an agency, that are not regularly filed within as agency's recordkeeping system, and that are required only for a limited period of time for the completion of an action by an official or employee of the agency or in the preparation of an on-going records series. Transitory records are not essential to the fulfillment of statutory obligations or to the documentation of agency functions. Examples of transitory

information are routine messages such as internal meeting notices, routine slips, incoming letters that add nothing of substance to enclosures; and similar routine information used for communication, but not for the documentation, of a specific agency transaction. Retention: After the purpose of record has been fulfilled.

Public Information on Private Devices

Policy DH

Employees should not maintain district information on privately owned devices or cloud storage. Any district information must be forwarded or transferred to the district to be preserved. The district will take reasonable efforts to obtain public information in compliance with the Public Information Act.

Sensitive Information Storage on Devices

Employees will not download, save, copy (including Google Takeout), or export any sensitive information, PII (personally identifiable information) of staff/students, or other resources out of any GCCISD computer system unless it is completely necessary and with the Principal or immediate supervisors' approval. Sensitive information will not be emailed or saved to portable storage devices such as cd/dvd, portable flash drives, etc or copied to cloud service providers such as dropbox.com, box.com, etc. Sensitive information on a district laptop or tablet must be encrypted to prevent information theft. It is the user's responsibility to immediately notify the district's technology department if any sensitive information is lost or stolen.

As part of the District's Information Security Guidelines, data stored on district resources are subject to auditing and/or monitoring to ensure compliance. Employees found storing sensitive data without appropriate approval and without appropriate encryption/security controls may face disciplinary action, up to and including termination of employment.

Electronic Communications between Employee, Students, and Parents

Policy DH

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may communicate through electronic media with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Parent Square is the official communication tool that is permitted for staff when communicating with students and parents. All other employees are prohibited from communicating with students who are enrolled in the district through electronic media. An employee shall notify his/her supervisor when a student engages in improper electronic communication with the employee.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. - *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who uses electronic media to communicate with students shall observe the following:

- The employee may use any form of electronic media **except** text messaging. Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
 - The employee shall include at least one of the student's parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
 - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message;
 - For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee's district e-mail address.

- The employee shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).

- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics including:

- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.
- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.

- An employee shall notify his or her supervisor in writing within one business day if a student engages in an improper electronic communication with the employee. The employee should describe the form and content of the electronic communication.

Computer Software Policy

It is the practice of the district to respect all computer software copyrights and to adhere to the terms of all software licenses to which the district is a party. Technology Department is charged with the responsibility of enforcing these guidelines.

All computer software installed on district equipment must be vetted by, purchased, reported to and installed by Technology Department, or its designee. Software acquisition is restricted to ensure that the school district has a complete record of all software that has been purchased for district computers and can register, support, and upgrade such software accordingly. Additionally, software used on district computers used for instructional purposes must also be vetted by a district curriculum coordinator.

Students, district employees, and volunteers may not duplicate any licensed software or related documentation for use either on the district's premises or elsewhere unless Technology Department is expressly authorized to do so by agreement with the licensor. Unauthorized duplication of software may subject the employee and/or the school district to both civil and criminal penalties under the United States Copyright Act.

Students, district employees, and volunteers may not give software to any third party including relatives, clients, contractors, etc. District employees, students, and volunteers may use district approved software on local area networks or on multiple machines only in accordance with applicable license agreements.

While this is not illegal to secretly record workplace discussions or meetings with adults, the district prohibits this practice unless the employee has the advance consent of the other(s) who are present and/or being recorded. Because it is unprofessional and disruptive to district operations, the Texas Commissioner of Education has stated that secretly recording such conversations may be good cause for termination of employment.

Policy CK

The District utilizes security cameras and video recording devices at the school campuses and other District facilities. These are located in cafeterias, hallways, classrooms, designated areas, entryways, buses, and parking areas. The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the Student Services Department for assistance.

Parent and Student Complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal.
