Mission Statement

We will prepare all students enrolled at IMPACT Early College High School to be college-ready, independent, and skilled citizens. We will provide all students with a rigorous, challenging academic environment that encourages and actively supports high school and college graduation.

Vision

Impacting lives today and tomorrow.

Value Statement

The faculty and administration of Impact Early College High School commit to:

- Incorporate WICOR/CIF across the curriculum on a daily basis.
- Collect, analyze, collaborate and communicate student data to provide opportunities for growth and intervention.
- Implement student based instructional technology in the classroom at least once a six weeks.
- Develop and maintain a rapport within and among students to foster a physically and emotionally safe and inclusive environment.
- Provide opportunities for leadership and creativity through a culture of service.

Comprehensive Needs Assessment

Needs Assessment Overview

IMPACT ECHS opened its doors in 2010 and serves approximately 400 students in grades 9 to 12. Five years ago, 100 students were served by the new campus and a new 9th grade class was added each year until IMPACT reached a capacity of 400 students in 2014. IMPACT is an early college high school that seeks to allow students least likely to attend college an opportunity to earn a high school diploma, earn up to 60 college credit hours, and potentially graduate with an Associate's Degree or be core complete at the time of high school graduation.

Demographics

Demographics Summary

The student population is 11% African-American, 11% Anglo, 2% Asian, 74% Hispanic, 40% male and 60% female with a low socioeconomic status of 61%. The staff population is 14% African-American, 57% Anglo, 4% Asian, 25% Hispanic, 21% male and 79% female with an average of 12 years of experience.

The overall mobility rate for the campus is approximately 4%, with a drop-out rate of 0.3%. The average daily attendance rate for students is 97%. There is a total of 53 discipline referrals this year.

IMPACT ECHS serves 4 English Language Learner students, number students in the Gifted and Talented program (50% males, 50% females, and 0% LEP), 17 students identified for 504 services, 0% of RtI Tier I students, 0% of Tier II students, 0% of Tier III students, 1 student served through special education services (0.6%) and 0 students tested, but not qualified for special education services.

Demographics Strengths

Diverse student population allows for varying perspectives and points of view to be shared and appreciated.

Student Academic Achievement

Student Academic Achievement Summary

EOC Results for IMPACT ECHS 2017-2018 (including summer testing 2018) Tested Subject Algebra I Number of Students Tested/Students passing 62/61 All students passing 98% All students at Masters level 14/62 – 23% Tested Subject Biology Number of Students Tested/Students passing 104/104 All students passing 100% All students at Masters level 33/104 – 32% Tested Subject English I Number of Students Tested/Students passing 104/102 All students passing 98% All students at Masters level 33/104 – 32% Tested Subject English II Number of Students Tested/Students passing 100/99 All students passing 99% All students at Masters level 33/100 – 33% Tested Subject U.S. History Number of Students Tested/Students passing 89/88 All students passing 99% All students at Level III 54/89 – 59%.

Student Academic Achievement Strengths

- High rate of graduation
- All students take the PSAT, SAT, most take the ACT
- Students are actively earning college hours; the majority are completing Associate's degrees and/or core completion
- EOC STAAR scores
- Campus-wide writing initiative
- AVID required for all 9th graders
- Promote and support a college-going campus
- Increased accountability because of Academic Probation

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Challenge to maintain the level of academic achievement with specific percentages being required for enrollment and retention of at-risk students. Our campus may need additional support not needed previously. **Root Cause:** Revised ECHS Blueprint focus on targeting, enrolling, and retaining at-risk students.

School Processes & Programs

School Processes & Programs Summary

Focus on the student - Grade level teams of teachers and staff members monitor and discuss in detail students who are struggling with academics, personal issues, or other issues. Team members take responsibility for specific students and develop an individual plan with that student, schedule parent meetings, communicate with other teachers, and support the student as needed to improve.

Focus on academics - Teachers work collaboratively as appropriate to maintain high academic standards. They communicate expectations for each grade level so that the other teachers are able to prepare and support students accordingly.

Focus on collaboration - A truly collaborative environment allows faculty, staff, students, and parents to work together on committees, submit their opinions and ideas for improvement, and that collaboration extends to our partnership with Lee College.

Focus on safety - Measures have been taken to increase student, staff, and overall campus safety.

Focus on communication - Weekly Administrative Team meetings, Faculty meetings, Staff meetings, and SST meetings, in addition to 2-3 all school assemblies per semester and several grade level meetings, are held to promote communication.

School Processes & Programs Strengths

Always prioritizing what is best for students brings us together and keeps us concentrating on what is most important, our students. Open-door policy perspective allows students, teachers, parents, community members the ability to have their concerns, questions, suggestions heard. PLC time, utilization of surveys, and communication with student leadership allow for collaboration to improve our campus. Meetings and assemblies provide regular opportunities for open and consistent communication in our school community.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Students perceive that teachers may not be communicating with parents about their progress. **Root Cause:** Contact information is not always up to date and teachers may not prioritize all levels of progress or lack of progress.

Problem Statement 2: Campus safety continues to be a concern specifically following recent school incidents. **Root Cause:** There is a feeling of our campus being vulnerable because of the layout, the materials (glass walls), and the constant entering and exiting of students as they come and go to college classes.

Perceptions

Perceptions Summary

As a small school, we strive to create and maintain a family atmosphere. Almost every student will have been in a class with every teacher on our campus in the 4 years they are here. Teachers put forth the extra effort to sponsor clubs, offer tutorials all times of the day, and really work closely with students to help them achieve their goals. We have campus-wide competitions twice a year to foster camaraderie and positive competition. Our relationship with Lee College also provides another level of support and activities that help our students.

Perceptions Strengths

Diverse ethnic environment on campus. Every student was involved in special interest and school-wide activities. All students feel welcome to join groups on campus. Students feel safe and that they are part of something.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: There are misperceptions about our school being "all smart" students, when the reality is that we must target at risk students and our students and teachers work extremely hard to be successful. **Root Cause:** Perceptions of who an Early College student "should be".
