Beacon Federal Credit Union Ribbon Cutting On Goose Creek Memorial Campus

A ribbon cutting ceremony, sponsored by Beacon Federal Credit Union, a Partner In Education with Goose Creek Memorial High School (GCM) through the Baytown Chamber of Commerce, was held recently at Beacon Federal Credit Union's branch office at GCM to officially mark its grand opening. Last spring Beacon, whose other locations are in La Porte, Baytown, Seabrook and Clear Lake, entered into a mutual partnership with GCM to provide financial education as well as on-campus financial services to students, faculty and staff at GCM. The branch office opened at the end of the 2014-2015 school year.

Beacon FCU's branch office is part of the Global Business Academy at GCM, which provides meaningful instruction to ensure that students are prepared to meet the demands of the rapidly changing world of business and technology. Students benefit from hands-on, real-time life experiences during school hours by working in the credit union office on the campus.

"This is our first in-school branch, and we're excited about what we can do for the school," said Jack McAdoo, chief executive officer of Beacon FCU. "We hope to bring financial literacy to students here, and at the same time provide a service to the teachers and staff. It is important for us to provide a full slate of services."
