Registration for new elementary students under way

Elementary Registration

Students entering grades kindergarten through five who are new to Goose Creek, or who were not enrolled during the 2009-2010 school year, may register Aug. 11, 12, and 13. Registration will be held from 8:30 to 11:30 a.m. at the main office of each elementary campus.

For ease in registering, parents should bring with them the following:

- The child's most current report card or transcript
- Immunization records, in written form, with a doctor's signature or clinic verification
- The child's Social Security card
- Birth records for children entering kindergarten, or first grade
- Verification of residency (Utility bill is acceptable if it has the family name and address.)

Kindergartners must be 5 years old on or before September 1, 2009. Those entering first grade must be 6 years old on or before this date.

Secondary Registration

Junior school students will register on the first day of school, Monday, August 24.

High school students can pick up a registration packet on Monday, August 24 and schedule an appointment for the registration process that will begin on Tuesday, August 25.

Students who were not enrolled in a GCCISD school during the 2008-09 school year should bring the following:

- Current report card or transcript
- Immunization records, in written form, with a doctor's signature or clinic verification
- Social Security card
- Birth certificate
- Verification of residency

For students residing in a house or on rental property, a utility bill (i.e., gas, water, or electricity) showing the parent's name and address. If a utility bill is not available, a lease agreement (with both parent's and student's name listed) or rental contract will be accepted.

Students who were enrolled in a GCCISD school during the 2008-09 school year and have moved to a residence in a different attendance zone over the summer should contact the 2008-09 school and request for records to be sent to the new school. Verification of residency must be provided to the new school in order to complete the registration process.

For additional information, please call the GCCISD Secondary Education Office at (281) 420-5145.
