

GOOSE CREEK

CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

Community Toyota giving away two new cars in perfect attendance drawing

The annual football game between Robert E. Lee and Ross S. Sterling High School is the highlight of the season for many Goose Creek CISD fans. The much-anticipated halftime, showcasing the talents of the district's bands and drill teams, has also become known for the announcement of which Goose Creek high school student will win a new car.

Since 2006, Roger and Kim Elswick, owners of Community Toyota/Scion, have recognized the efforts of Goose Creek CISD juniors and seniors who had perfect attendance over the preceding year. The names of eligible students were entered in a drawing for a new car from their dealership. Last year, Goose Creek Memorial students became eligible for the drawing.

This year, there will be two car drawings — one at the Lee vs. Sterling game for Lee and Sterling students, and one at the Goose Creek Memorial vs. Barbers Hill students for students at those two high schools.

The cars to be given away are a 2009 Kia Rio and a 2010 Scion Xd.

The Elswicks founded the program in hopes of boosting attendance at Baytown's high schools.

"We are sponsoring the giveaway to promote perfect attendance and to support the education system in our communities," said Roger Elswick. "The more that students are in school, the greater the potential opportunities for them to be successful."

This year, 47 Goose Creek high school students have qualified for the drawing by maintaining perfect attendance.

"We appreciate the continued support that Community Toyota continues to give to the students of Goose Creek," said Suzanne Heinrich, executive director of school administration at Goose Creek CISD.
