

CBJ Amazing Race Math Night

Cedar Bayou Junior School held an Amazing Race Math Night on March 27. Students raced through the building solving real life math problems. Along the way, they received clues to send them to their next math station where they received stamps for their passport. They even encountered roadblocks. They were served pizza, took brain breaks and received door prizes. Pictured is Jordan Rodriguez and Emily Holm, coordinator of the math race, preparing to start the race.
