CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

REL and Exxonmobil host STEM night

Lee High School and ExxonMobil hosted a Science Technology Engineering Math (STEM) night April 30th for students interested in STEM careers. Five ExxonMobil employees visited with approximately 70 Lee High School students and parents about the opportunities and experiences in a STEM career. Students had dinner with the representatives and were able to ask questions. Next year, Lee High School will host the District's STEM academy and emphasize STEM careers, lessons, and concepts school wide.
