High school robotics team accepting applications

[Student Application](#) | [Teacher Recommendation Packet](#)

Do you have an interest in a real-world engineering experience?

Do you have outstanding technological skills?

Are you interested in learning teamwork skills that will prepare you for a career path in science and technology?

The GCCISD high school robotics team, "The Blarglefish", is now accepting applications for team membership. Goose Creek students in 9th-12th grades are eligible to apply. The practice location for the "Blarglefish" robotics team will be Lee High School.

Applications and teacher recommendation packets can be picked up in the Academic Dean's office at each high school or found on the information link of the Goose Creek homepage.

Applications and teacher recommendation packets should be mailed or faxed (281-421-3347) to Carol Mitchell, Goose Creek CISD Administration Building, P.O. Box 30, Baytown, Texas 77522. Parents or students can also drop robotics' applications off at the administration building. All applications must be received by Monday, October 20, 2014.

For more information, contact Carol Mitchell, Advanced Academics specialist, at 281-421-3353.
