March 2015 TAKS Out-of-School Examinees Registration

The March 2015 exit level TAKS (Texas Assessment of Knowledge and Skills) administration is as follows:

TAKS

ELA – Monday, March 2, 2015

Mathematics – Tuesday, March 3, 2015

Science – Wednesday, March 4, 2015

Social Studies – Thursday, March 5, 2015

Out-of-school TAKS examinees (individuals who are no longer enrolled in school and who have not previously met minimum expectations on all sections of the TAKS test, but have met all other graduation requirements) must register online to retake the necessary test(s).

Since the TAAS tests are no longer being administered, former TAAS examinees (including former TEAMS examinees) will take the appropriate part of the TAKS exit level English language arts and/or mathematics test(s). The administration of the TAKS retests for former TAAS examinees will be March 2, 2015, for English language arts writing; March 3, 2015, for mathematics; and March 4, 2015, for English language arts reading.

All registration for out-of-school examinees is online only. TAKS examinees (including former TAAS and TEAMS examinees) must register online [here](#). Registration for the March exit level retests is currently open and will remain open through 5:00 PM (CT), February 6, 2015. A list of participating campuses can be found [here](#).

On the day(s) of testing, out-of-school examinees should arrive at the test site by 7:30 a.m. with picture identification. Out-of-school examinees will not be able to take the test(s) without a picture ID.
