CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

2013 GCCISD Career Night looking to exceed expectations

Goose Creek CISD is hosting its second annual Career Night on Tuesday, Jan. 29, 2013. Open to all students, parents, and community members, the event will be from 6:00 to 8:00 p.m. in the Lee High School Commons.

This event is designed to provide students with an opportunity to understand the educational requirements for jobs in our area. Following the tech prep model, there will be representatives from high school and post-secondary programs joined by businesses and industries to help students and parents learn the path to a successful career of their choice.

Some of the careers that will be represented in the career clusters are: agriculture, food and natural resources; arts, audio/video technology, and communications; education and training; finance; human services; manufacturing; marketing; and science, technology, engineering, and mathematics.

Lee High School is located at 1809 Market Street. Transportation from Sterling and Goose Creek Memorial to Lee will be provided.

Goose Creek CISD's Career and Technical Education Department hosted its first Career Night on March 20, 2012 at Robert E. Lee High School.
