

## GCCISD students eligible to apply for the Junior Robotics teams

Goose Creek CISD fifth, sixth, seventh and eighth graders are eligible to apply for the district's Junior Robotics teams.

Those who wish to participate must submit a completed application, available on the "Information" link of the Goose Creek CISD web site and in the main office of each elementary and junior school. Application requirements include the completion of a resume' and a completed teacher recommendation packet.

Team members will be required to attend approximately two practice sessions per week. The locations for practices will be announced at a later date.

Being involved in the robotics team requires a commitment of three months, as the team will be competing in the Houston Area Lone Star Competition in November or December.

Applications should be mailed or faxed (281-420-4447) to Carol Mitchell, Goose Creek CISD Administration Building, P.O. Box 30, Baytown, Texas 77522. Parents can also drop robotics' applications off at the administration building. All applications and required documentation must be received by Monday, September 23.

For more information, contact Carol Mitchell, Advanced Academics Specialist at 281-421-3353.
