The second Groundbreaking Ceremony will be held on Wednesday, October 2, at 10:00 a.m. for the new Alamo Elementary, located at 6100 N. Main. Alamo Elementary students will participate in the ceremony, and Ron Wyatt, principal of Alamo, will provide a history of Alamo Elementary. Following the ceremony, a reception will be held.

The Groundbreaking Ceremony for the third new elementary campus, located at 6033 N. Hwy. 146, is scheduled for Wednesday, October 9, at 10:00 a.m. Students from Stephen F. Austin Elementary will participate in the event, and a reception will follow.

The three new elementary schools are projects made possible by the community's support of the \$267.5 million bond passed in May. As a result of a demographic study by Population and Survey Analysts, Inc., which projected GCCISD's enrollment to increase by more than 4,500 students over the next decade, the schools were an integral part of the 2013 Bond. District enrollment has increased to more than 22,000 students for the 2013 – 2014 school year.
