iPad Deployment to Seniors in Goose Creek CISD

As a result of the 2013 Bond, Goose Creek CISD 12th grade students will soon receive iPad tablets to use at school and home for the 2013-2014 school year. The goal of this initiative is not only to increase academic success, but also to provide the necessary experience of being a responsible digital citizen before entering into a college or career setting.

Senior students must complete, sign, and return an iPad Loan Agreement at an iParent meeting before receiving an iPad. They must also show a student- issued 2013-2014 Goose Creek CISD I.D. badge and attend a short Responsible Use Presentation/Student iPad Orientation.

A parent should attend the assigned iParent Meeting with the student. The dates and locations of the meetings are:
