

Groundbreaking Ceremony a Success for Third New Elementary

A break in the hot weather and some special musical entertainment by Austin Elementary School students added to the success of the recent groundbreaking ceremony for the third new elementary campus.

Students assisted also with shoveling dirt and placing their handprints in the concrete, which will become part of the new school's sidewalk.

More than 100 people attended the event, which marked the third elementary school groundbreaking ceremony in the past two weeks, at the school location at 6033 N. Hwy 146.

The new school is a first for Goose Creek CISD, as it is the eastern-most school within District boundaries, and it is the only Goose Creek CISD school located in Chambers County. [View photo gallery.](#)
