GCCISD Hosts Parent Fair

More than 560 individuals benefited from resources available at Goose Creek CISD's recent Parent Fair at Ross S. Sterling High School. Dr. Patty Bing, director of student services, organized the annual event.

Free dental and vision screenings were available through Eye Care for Kids, Shine Dental, Frontier Dental and Altus Dental. Free flu shots and immunizations for children were offered through the Harris County Health Department.

Vendors included Community Health Choice, Denta Quest, U.S. Champions, Harris County Public Health ES-Nutrition and WIC Services, Baytown Parks and Recreation and others.

In addition, information was provided by Communities in Schools, social workers, Bay Area Council on Drugs and Alcohol (BACODA), Migrant Program, school nurses, Security, Bilingual/ESL, Special Education, Food Services, Transportation, and the Language Arts Department.

Children enjoyed "Trick or Treating" at the various tables, and elementary students participated in a costume contest at noon. Drawings were held for door prizes throughout the day.
