

ExxonMobil donates \$3,000 to GCCISD robotics program

The Goose Creek CISD High School Robotics Team traveled to ExxonMobil in Baytown recently to tour the facility's robotics lab.

This was a rare opportunity afforded to Goose Creek CISD students. During the field trip, ExxonMobil engineers and scientists introduced the students to a robot within the lab as well as to processes that are implemented when utilizing this equipment.

The students were also provided with a presentation that demonstrated the importance as well as the use of robots in today's world.

In addition, ExxonMobil presented the team with a \$3,000 donation to help support the district's robotics program. The GCCISD Robotics Team competed in the Lone Star Regional Competition at the George R. Brown Convention Center on April 5-7.

ExxonMobil recently presented the Goose Creek CISD High School Robotics Team with a \$3,000 donation to help support the district's robotics program. In the front row, from left, are Nick Pequeno and Zach Holt; in the middle row are teachers Rick Olsen and David Ghere, ExxonMobil Baytown Technology Center Site Manager Gary Schmidt, and Lee Principal Bruce Davis; and in the back row are Jordan Fischer, Rishab Ghadi, Travis Tallent, Yaswant Devarakonda, and Sergio Reynaga.
