

GCCISD students and staff raise money for annual Relay For Life

Many Goose Creek CISD teachers, staff members and students took a break from their weekend routine to walk for a life-changing cause: the Baytown Relay For Life at Royal Purple Raceway.

The Baytown Relay For Life, the largest one in the state and region, is an annual event that gives everyone in communities across the participants the opportunity to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease.

And out among the hundreds, if not thousands, were a multitude of teachers, students and staff members from Goose Creek CISD — all raising money for cancer research, just as they do every year.
