### 14 Lee students received student achievement awards

Fourteen Robert E. Lee High School students received the "Texas Student Achievement Award" from the Texas ACT Council for their performance on the PLAN (the Pre-ACT) assessment. These students are on target to meet or exceed ACT's College Readiness benchmarks by graduation. ACT's College Readiness benchmarks are empirically-based and identify the level of achievement necessary in English, mathematics, reading and science to have a successful college freshman experience.

The students receiving this recognition from the Texas ACT Council are: Alana Ailles, Ismael Barragan, Katrina Compton, Anthony Constante, Abraham Gomez Alvarez, Josue Gonzalez, Rebecca Halpryn, Kaitlyn Kolarik, Andrew Lord, Austin Lord, Monica Ozuna, Angel Pedraza, Madeline Poirot, and Enrique Savedra.

The Texas ACT Council is made up of secondary and postsecondary educators who advise ACT, Inc. on the utilization of ACT program and services in Texas schools and colleges.

ACT, Inc. is the not-for-profit organization that provides assessment, research, information and program management services in the broad areas of education and workforce development and the publisher of the ACT Assessment.

The ACT Assessment is the college admissions test that is accepted by all colleges nationwide.

According to Karen Pennell, ACT Assistant Vice President and Southwest Regional Manager, "The Texas ACT Council recognizes those students who are making significant strides to prepare themselves for college by taking rigorous courses and meeting the PLAN (Pre-ACT) College Readiness benchmarks. We also want to recognize that student PLAN achievement is the result of a strong commitment by Robert E. Lee High School teachers, staff, administrators and parents to increase college readiness for all students."
