Gentry wins back-to-back junior school all-sports championship

The Goose Creek CISD Athletic Department awarded its 2nd Annual GCCISD Junior Athletic All-Sports Championship to Gentry Junior School. The runner-up is Highlands Junior School.

Goose Creek CISD Athletic Director Tom Ed Gooden said that Gentry once again stood at or near the top in all sports. The athletes, coaches, parents, teachers, and administration are to be commended. Congratulations to all.

Gentry Principal Dave Gillings said, "It's an honor for Gentry to win the All Sports Trophy again this year. Our student athletes and coaches worked very hard and also showed great sportsmanship in their endeavors. Congratulations to all of our participants for their hard work and dedications."

The goal of the new junior school competition is to foster rivalries between Goose Creek CISD schools and athletes and to promote the importance of athletic competition.

The team-point contest is based on competition between the district's five junior schools. Points are awarded based on a junior school's team standing against other junior schools.

For instance, first place earns 5 points while a fifth place finish earns 1 point.

The eighth and seventh grade points are combined for each junior school tally. The following boys team sports were tracked in the competition: football, basketball, track, tennis, and cross country. For girls, sports tracked included volleyball, basketball, track, tennis, and cross country.

Gentry earned first-place points in 8A football; 8A volleyball; eighth grade and seventh grade boys and girls track; and seventh and eighth grade boys and girls cross country.

Cumulative points totals for the year were:

Gentry – 120
Highlands – 85
Cedar Bayou – 70.5
Baytown – 63.5
Horace Mann – 50

Gentry Junior School was presented with a championship trophy recently and will be allowed to keep the cup through the following year. After the following year, the award will be presented to next year's winner.
