

GOOSE CREEK

CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

Robert E. Lee 'Fish Camp' set for August 16th

Robert E. Lee High School is hosting a "Fish Camp" for incoming freshmen on Thursday, Aug. 16 at the school.

Fish Camp lets incoming freshmen tour the school, meet friends and get ready for the first day of school.

The camp's activities will include an organization fair, a pep rally and a tour of the high school.

"The purpose is to orient our freshmen in all areas of school life so they'll be comfortable and confident on their first day at Robert E. Lee," said Principal Bruce Davis. "High school is a big step for these kids. We want it to be a positive experience, start to finish."

Lee's Fish Camp will be from noon to 3:30 p.m. on Aug. 16.

Registration will be in the commons from noon to 12:30 p.m., with the General meeting starting at 12:30 in the cafeteria.

Built in 1928, Lee High School, over the years, has undergone numerous renovations, including the reconstruction of the main building following a devastating fire in 1987 and a new art and science building.

These renovations have allowed the high school to offer a state-of-the-art learning facility while preserving the beauty of this historical landmark.

For more information, please call the school at 281-420-4535.
