

SAT/PSAT Summer Clinics

During summer 2011, Goose Creek CISD is offering a PSAT/SAT mini-course. Although this course is recommended for students entering grades 6, 7, 8, or 9, it is open to all secondary students. It is especially helpful for those who will be eligible to participate in the Duke Talent Search during the fall of their seventh grade year. The purpose of the summer course is the following:

- (1) increase scholarship opportunities;
- (2) increase the number of colleges or universities a student can apply to and reasonably expect to be admitted;
- (3) provide a solid foundation for taking any standardized test (especially the SAT/PSAT) in the future.

To register, please complete and submit the registration brochure (download [here](#)) along with \$25 cash to your child's counselor no later than June 2, 2011.
