

GCCISD student/parent handbook available online

In an effort to be more environmentally friendly and with recent budget cuts, Goose Creek CISD has decided to put the student/parent handbook online.

Instead of handing out handbooks to students on the first day of class, access to it will now be available on the internet, in both English and Spanish.

Printed copies of the handbook will still be available per request of the parent.

Also, all campuses will have computers that will allow parents to have access to the online student handbook.

Students will receive copies of the consent forms to be sent home that require a parent or guardian signature.

With the handbook being available online, it will offer a faster way to have access to the resource that provides basic information needed during the school year.
