CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

School Clothing Program helps families

The Goose Creek CISD School Clothing Program and the support of area organizations will once again make new school clothes a possibility for families in need.

The School Clothing Program, funded by the United Way and contributions from area organizations and individuals and implemented by Baytown Resource and Assistance Center, offers vouchers for parents who need financial help to provide clothing for their elementary-age children. Parents must present proof of need, such as benefits from Medicaid or AFDC, and a picture ID.

On Aug. 19, Goose Creek CISD counselors will be at each of the district's elementary campuses to distribute vouchers. This is the only day before school starts that these vouchers will be distributed.

Those who have received help through the School Clothing Program have expressed their appreciation for the district's support as well as that of the United Way and contributors, such as the Service League of Baytown, Junior Forum, Baytown Olefins Plant, and community members.

Because of the ongoing need, the program welcomes donations at any time. Donations can be made to Baytown Resource and Assistance Center at P.O. Box 425, Baytown, TX, 77522 or in person to BRAC at 5309 Decker Drive. For information, call your child's school counselor.
