Sterling volunteers provide food for needy families

For many years, the Ross S. Sterling Ranger family has given back to the community through its Annual Thanksgiving food drive.

Each year, Sterling volunteers have been able to feed about 200 local families, and this year is no different thanks to the extreme generosity of students and faculty.

The annual food drive, sponsored by the Teen Leadership class, benefits families in the Baytown area identified by Love INC, the Baytown Resource and Assistance Center, and Sterling counselors.

Sterling students, faculty, and staff collected all food items donated.

"It is our privilege to serve the community in this way. In Teen Leadership, we learn that true leadership is service to others, and this project teaches that in a very real way," said Sterling teacher and organizer Beth Woods.
