

RSS water polo teams eyeing state titles

Both Sterling High School water polo teams are on track to return to the State Tournament on April 23-24, with both teams having a great shot to be back in the finals.

The Sterling boys and girls teams defeated all comers in this past weekend's District 23 Water Polo Tournament at Sterling High School.

Both teams are ranked 1st in District and play in the regional tournament this week at Sterling High School. Games begin on Thursday and end Saturday night. Girls play Thursday night at 6:30 p.m. and boys play Friday night at 6:30 p.m. After that point game times are TBA because of Win or Loss in the previous game.

Overall record for the girls team is 20-1. The girls team also has won four water polo tournaments this year: Clear Brook Battlefield, Westside Invite, Texas Classic, and, most recently, the Tomball Easter Invitational.

The boys team's overall record is 19-1-1, and they have placed in the following tournaments: Clear Brook Battlefield (2nd), Westside Invite (1st), Texas Classic (1st), and Tomball Easter Invitational (1st).

"The girls team is looking to repeat as TISCA State Champion, and the boys are looking to reclaim the TISCA State Championship," said Sterling water polo Head Coach T.J. Markiewicz. "They have worked hard consistently all year and are ready to take on the challenge of winning a state championship for GCCISD and Sterling High School."
