Ysquierdo named principal at Lamar Elementary

Goose Creek Superintendent of Schools Dr. Toby York recently announced that Rachelle Ysquierdo will be the new principal of Lamar Elementary School for the 2010-2011 school year.

Ysquierdo is the current assistant principal at Lamar, a position she has held for the past five years. She replaces Principal Greg Lynd, who has been named principal at Cedar Bayou Junior School.

"Mrs. Ysquierdo's range of experience both as a classroom teacher and assistant principal will serve her well as the next principal of Lamar Elementary School," said Dr. York.

Before she became the assistant principal at Lamar, Ysquierdo worked as a teacher for five years at Goose Creek CISD, Deer Park ISD, and La Porte ISD.

She holds a bachelor's degree in science and a master's degree in science, both earned from the University of Houston – Clear Lake.

"My goal for Lamar is to provide a warm, caring, supportive and welcoming environment where students can be successful," Ysquierdo said.

"I welcome parents and stakeholders to be a part of our students' education. By working closely with my staff, we will make certain Lamar will remain an exemplary campus and one of the greatest schools in the district."
