Martin named Goose Creek CISD Board president

The Goose Creek CISD board of trustees reorganized on Monday, June 14, electing Ken Martin as president and Wilyne Laughlin, vice president.

The other Board officers are, Jenice Coffey, secretary, and Howard Sampson, assistant secretary.

A product of Goose Creek schools, Martin graduated from Lee High School in 1968. He graduated from the University of Texas in 1973 with a Bachelor of Science degree in chemical engineering.

He has worked for DuPont in La Porte since 1973.

Martin is a member of Harris County Department of Education Center for Safe and Secure Schools, La Porte Local Emergency Planning Committee, La Porte Citizen Advisory Committee, East Harris County Manufacturers' Association Security Committee, and Texas Chemical Council. Martin is also Vice President of La Porte Neighborhood Center Advisory Board, and a member of the Goose Creek CISD Education Foundation.

"It is truly an honor to be elected President of the Board of Trustees," Martin said. "There are so many great things happening in the district right now ... test scores are up, the Early College High School is opening, and Goose Creek Memorial just had its first graduating class. I know that we will face many challenges in the coming year, but I know that our board/superintendent team will continue to find creative solutions for each problem. It's an exciting time for our district and our entire board is equally excited to be a part of it."

Martin has served as a member of the Goose Creek CISD Board of Trustees since May 2008.

The Goose Creek school board is now comprised of four Robert E. Lee High School graduates – Agustin Loredó III, Laughlin, Martin, and Bob Hoskins, and two Ross S. Sterling graduates — Coffey and Sampson. The other Board member is Carl Burg.

Trustees representing GCCISD single-member districts serve in staggered three-year terms.

Regular meetings are held on the second and fourth Mondays of each month at 6:30 p.m. in the Board Room of the Administration Building.
