

Allen named principal at School Community Guidance Center

Goose Creek Superintendent of Schools Toby York announces that Gary Allen will be the new principal of the School Community Guidance Center, beginning with the 2010-2011 school year.

The Goose Creek CISD Board of Trustees confirmed Allen's new post on June 14.

Allen has been the assistant principal at Cedar Bayou Junior School for five years. He replaces Michelle Verdun who continues as the principal at the Peter E. Hyland Learning Center.

Prior to the SCGC's move in 2010 to Jones Road in Highlands, SCGC and the Learning Center were a combined campus off Decker Road.

The School Community Guidance Center houses the Off-Campus School, which is the secondary alternative education program.

The district's Night School Program classes are also held at the School Community Guidance Center.

Allen has been with the district for 31 years, serving as a teacher for 20 years, and as an assistant principal for a total of 11 years.

Allen says he is excited and eager to start working.

"My plan for the upcoming school year is to help ensure that all students that enter and leave SCGC receive a quality education and will be equipped with decision making tools helping them to be successful on their return to their campus. This will be a team effort and this is my goal," Allen said.
