102 Goose Creek CISD students earn All-Region Choir honors

A total of 102 singers from three Goose Creek CISD high schools were recently chosen as members of the All-Region Choir.

This is an all-time district record, and makes up about one-third of the entire region choir.

Sterling High School had the most students earn all-region status with 53, followed by Goose Creek Memorial High School with 40, and Lee High School with 9.

Last year, Goose Creek CISD high schools placed 98 singers on the all-region choir.

"The All-Region Choir is one of the highest honors that a student can receive in choir and their overall music education. It is a wonderful experience that allows the 'best of the best' singers in the region to come together and make incredible music with the All-Region Choir," said Goose Creek Director of Fine Arts Timothy Vaughn.

The Sterling High School choir is under the direction of Nikki Thompson and Sarah Scoggins. The Goose Creek Memorial High School choir is under the direction of Holly Lewallen, and the Lee High School choir is under the direction of Kym Reeves.
