# Comprehensive Needs Assessment

## Needs Assessment Overview

Peter E. Hyland is one of 28 campuses in Goose Creek Independent School District. Peter. E. Hyland opened its doors in 1980 and serves predominantly at risk students. Peter E. Hyland serves 209 students in grades 9 to 12. Peter E. Hyland is a departmentalized self-paced alternative school of choice for at risk high school students.

The student population is 17.7% African-American, 18.2% Anglo, 0.0% Asian, 59.8% Hispanic, 1.44% American Indian, 44% male and 56% female with a low socioeconomic status of 72.3%. The staff population is 14.6% African-American, 62.3% Anglo, 0% Asian, 4.7% American Indian, 14.6% Hispanic, 43.9% male and 56.1% female with an average of 14.1 years of experience. 100% are Highly Qualified teachers and 100% are Highly Qualified paraprofessionals.

The overall mobility rate for the campus is approximately 89.6%, with a drop-out rate of 0.8%. The average daily attendance rate for students is 83%. The average daily attendance rate for staff is 90%. There is a total of 102 discipline referrals this year, which is an increase of 6% from last year.

Peter E. Hyland serves 13 English Language Learner students, 0 students in the Gifted and Talented program (0% males, 0% females, and 0% LEP), 25 students identified for 504 services, 25 students served through special education services and 0 students tested, but not qualified for special education services.

The site-based decision-making team looked at last year's program evaluations, survey results, and the following data: Benchmarks, Attendance, STAAR EOC Reports, CBA's and Discipline Reports. 75.5% passed all EOC.

Committees were formed to look for areas of weaknesses and strengths.

# Demographics

## Demographics Summary

The enrollment numbers for Peter E. Hyland Center mirror other alternative schools. The data indicates that 85% of Peter Hyland students are at risk. Peter Hyland has a higher number of students identified as either Economically Disadvantaged or At-Risk. Peter Hyland is composed of a diverse population of sophomores, juniors, seniors and various ethnicity's. Student attendance is below the required percentage. Challenges include lack of parental support, scheduling issues, student employment, teen pregnancy, financial challenges, mental health issues, and transportation problems.

## Demographics Strengths

- Smaller class sizes
- Childcare Center
- Family atmosphere
- Flexible scheduling
- Mentor program
- Supportive of each students individual needs
- Student support team
- A team that knows one another well and works well together
- A campus that facilitates high graduation success rates
- PRS Home bound Services
- Night School
- Depelchin counseling for students
- Junior/Senior meetings
- Panther Lab
- Tutorials

# Student Academic Achievement

## Student Academic Achievement Summary

Based on student data, STAAR EOC passing rates continue to be high while passing rates for English 1 and 2 remain a challenge.

## Student Academic Achievement Strengths

- Parent contacts by teachers increased
- High rate of graduation
- Campus wide readiness test
- US History STAAR EOC had 90% passing rate
- Night School option
- Smaller class sizes for individualized instruction
- Writing initiative in all subjects
- TSI testing increased
- Flexible school day
- Increase in dual credit course offerings
- Only 1 student did not pass Biology STAAR EOC
- Only 1 student did not pass Algebra 1 STAAR EOC

## Problem Statements Identifying Student Academic Achievement Needs

**Problem Statement 1:** English 1 and 2 EOC STAAR scores need improvement. **Root Cause:** Factors including poor attendance, high under served population, low language support, and ESL staffing needs on campus as well as a high percentage of low social-economic and at-risk students significantly impact academic success on state assessments. High level of retesters and limited level of district support.

# School Processes & Programs

## School Processes & Programs Summary

According to our campus data, Peter E. Hyland continues to be a school where our creed - SUCCESS FOR ALL is manifested in our ability to engage students that were disenfranchised on their home campus:

- Increase school attendance
- Increase involvement in campus events and organizations
- Increase their number of credits in one year
- Increase graduation rate for GCCISD
- Prepare students for college and careers beyond high school.

### Curriculum and Instruction:

Professional Learning Communities and the development of common formative assessments contribute to the alignment of curriculum, instruction and assessments. In addition, grade level representatives from each grade level attend meetings to review curriculum based assessments.

### School Context and Organization:

Formative assessments, Benchmarks, previous EOC scores provide teachers with data to monitor and evaluate student progress. PHC's ongoing enrollment needs to be aligned with campus goals and academic needs. Last minute enrollment of students in danger of not graduating, lack of success at other campuses, high number of re-testers, and high rate of mental challenges.

### Staff Quality:

Based on student performance, it is evident that teacher quality continues to improve. Professional development has contributed to students' and teachers' success.

### Technology:

Students have access to technology devices, such as Promethean boards, iPads, and laptops. Teachers collaborate with Educational Technology Staff to integrate technology in the classrooms.

## School Processes & Programs Strengths

### Curriculum and Instruction:

- PLCs
- Teachers who are highly qualified in their content areas
- Credit recovery
- CBAs
- Campus-wide writing initiative
- Mentor program
- Additional counselor to concentrate on PRS
- Attendance Specialist Recruit to concentrate on attendance
- Students can work one on one with teacher, in groups or individual
- Focus note taking within an AVID elective classes, AVID site team members classes, and Edgenuity based classes

### School Context and Organization:

- Team planning
- Faculty meetings once a week (Wednesday)
- Several organizations: Ambassadors, AVID, CSU, Spanish Club, Student Council
- Student support groups
- Advisory Period
- Several forms of remediation for struggling students
- Focus on individual student needs
- PLC meetings every six weeks
- Student Incentives
- Campus College & Career activities
- Communities in School
- Community Outreach

### Staff Quality:

- Strong relationships among staff
- Several activities for team building throughout the year
- Salaries and Benefits
- Student/teacher ratio
- Science, Math, and Social Studies teachers are composite in subject area
- Additional counselor to concentrate on PRS
- Attendance Specialist Recruit

## Technology:

- Promethean boards in every classroom
- All students have iPads
- Clickers
- Smart slates
- Continuous iPad training
- Technology staff members on site to support the increase of technology into lesson plans
- Staff members are highly motivated to integrate technology usage during lessons
- Flexible and individualized teaching at each students' personal pace
- Use Winschool to ensure on task behavior

# Perceptions

## Perceptions Summary

The majority of students and staff feel welcome, safe, and part of a smaller "family" environment at Peter E. Hyland. Because we have a lower number of students, relationships between teachers and students are more achievable. When these relationships are built, this tends to lead to an overall respectful community with fewer disciplinary issues.

New students are greeted with a student mentor that introduces them to each of their teachers, help to explain their schedule, the organizations on campus, and answer any questions they may have. Our campus provides many different student-led clubs and organizations. These diverse clubs give students the opportunity to make connections and build relationships with other students and teachers. In addition, students are supported with several guidance and counseling options that provide emotional and behavioral support. Overall, both students and staff want to be at Peter Hyland and enjoy the environment and school spirit.

Disciplinary incidents continue to decrease. The data reveals that most disciplinary incidents occur in the classroom. Behavior expectations in the classroom are different between grade levels. PHC students tend to be sheltered, reluctant and unmotivated. Home environment, previous school experiences, lack of positive role models and relationships, lack of exposure to the real world, low self-esteem, lack of discipline, unaddressed mental health issues, lack of structure, poor academic skills.

## Perceptions Strengths

- Smaller campus
- Student recognitions weekly and Friday graduation
- Diverse ethnic environment on campus
- All students feel welcome to join groups on campus
- Students feel safe and involved here
- High support from teachers and counseling staff, CIS, CCR
- Large amount of field trips that expose students to career and real life experience
- Friendliness and great communication
- Self pace course work and ability to complete course work faster
- Connection with teachers and the support they give for students to push to graduate
- Teachers do not give up on students
- Less stressful atmosphere than at a traditional school
- Student recognition awards
- New student orientation

- High/Club organization participation
- Emotional and behavior support
- Technology friendly
- Individualized education plans
- Summer graduation
- Childcare
- Freedom from traditional norms
- Celebrate and acknowledge post secondary plans

# Priority Problem Statements

**Problem Statement 1:** English 1 and 2 EOC STAAR scores need improvement.

**Root Cause 1:** Factors including poor attendance, high under served population, low language support, and ESL staffing needs on campus as well as a high percentage of low social-economic and at-risk students significantly impact academic success on state assessments.
