## **Comprehensive Needs Assessment**

#### **Needs Assessment Overview**

POINT is one of twenty-seven campuses in Goose Creek Independent School District. POINT Alternative Center opened its doors in 2008 and serves all socio-economic family classifications. POINT serves approximately 400 students in grades six through twelve. Five years ago, 374 students were served by the campus, which is an increase of 9.35%. The campus organization is both departmentalized and includes team teaching.

The student population is 28% African-American, 21% Anglo, 0% Asian, 50.7% Hispanic, 73% male and 26.1% female. The staff population is 50% African-American, 27.2 % Anglo, 0% Asian, 22.7% Hispanic, 31.8% male and 68.2% female with an average of 19 years of experience. 50% of Highly Qualified teachers and 27.3% of Highly Qualified paraprofessionals.

The overall mobility rate for the campus is approximately 100%, with a drop-out rate of 0%. The average daily attendance rate for students is 72.4%. The average daily attendance rate for staff is 89.6%. There is a total of 856 discipline referrals this year, which is an increase of 35.3% from last year.

POINT may serve 5-15 English Language Learner students, 5-8 students in the Gifted and Talented program, 10-20 students identified for 504/Dyslexia services, 100% RtI Tier I students, 73% are Tier II students, 107 (25.8%) of the students are Tier III students, 107 students served though special education services (25.8%).

The site-based decision-making team looked at 2014-2015 year's program evaluations, survey results, and the following data: Curriculum Based Assessments (CBA)/Benchmarks (BM), State EOC/STAAR results; Attendance (student and staff) and student behavior referrals.

The campus, as a committee was formed to look for areas of weaknesses and strengths. The data showed:

#### **Curriculum, Instruction, and Assessment:**

Strengths: All teaching curricula are aligned with both TEKS and district guidelines; "teachers training teachers" is incorporated with both curriculum instruction and student behavioral modeling

Needs: Professional growth in specialized demographic student groups

#### **Demographics:**

Strengths: Ability to recognize the needs of At-Risk students from all demographics and use the teaching strategies, campus initiatives, CIS/PIE services to

meet student needs

Needs: Training for AP/PAP/ESL student characteristics and teaching strategies

**Family and Community Involvement:** 

Strengths: PAC has an "open door" policy; collaborate with CIS; staff translator

Needs: Parent involvement through scheduled workshops in collaboration with CIS, PIE, and Education Foundation grant; create parent questionnaire to add additional support to the school and community

**School Context and Organization:** 

Strengths: Campus is flexible in serving the needs of all district students (including special populations) in grades 6-12

Needs: Better communication within district departments/specialists; reinstatement of the after school tutorial program

**School Culture and Climate:** 

Strengths: Open door policy for parents, community service organizations (CIS/PIE) that offer specific focus groups; parent/student school culture/climate workshops (Education Foundation Grant)

Needs: Create teacher web sites for individual teacher classrooms/curriculum/expectations; increase social worker involvement

**Staff Quality, Recruitment and Retention:** 

Strengths: HQ certified collaborative staff for grades 6-12

Needs: Staff development for DAEP student behavioral characteristics; drug awareness training; specialty certifications for GT/ESL

**Student Achievement:** 

Strengths: Students are showing improvements with state required STAAR /EOC testing; monitor groups formed for district CBA/Benchmarks; attendance and behavioral rewards

Needs: Additional district support; AP test participation; Foreign Language/Native Speaking testing performed when applicable for DAEP students

**Technology:** 

Strengths: Teachers utilizing digital tools and resources with all student populations to advance teaching and learning

Needs: Technology updates; computer program availability for CTE classes; campus technology procedure/form added to PAC enrollment packets; computer/iPad lab for High School Core teachers

Point Alternative Center prioritized identified needs to correlate with the 2015-2016 CIP as follows:

Provide onsite teacher training for ESL certification along with professional development for PAP/AP curriculum

Provide parent education workshops and parent questionnaire to promote better communication with school and community

Provide after school tutorials to enhance student academic growth for both state testing and district curricula

Provide technological pathways to incorporate teacher web sites for parents/students and utilize iPad computer lab for core courses
