

We are committed to:

- Using our full potential
 - Going the extra mile in supporting campuses
 - Building capacity
 - Building a collaborative culture
- Receiving & providing constructive feedback

Using a 3 Phase Coaching Cycle to:

Identify- Instructional Specialist & teacher collaborate to set a goal & develop a plan to meet the goal.

Learn- Once teacher & IS set a goal & plan, they choose a teaching strategy to meet the needs, the teacher must learn how to implement the strategy

Improve- Instructional coaches monitor how the teachers implement the chosen teaching strategy & whether goal was met.
