CONVOCATION DISCUSSION

Our convocation committee met on January 11, 2024 and Leslie Garcia shared a convocation PPT and spoke about the survey that was submitted last month and what the top recommended results were. Twenty-two campuses wanted a different experience, while nine wanted the same. Tentative date of the theme "Giant World Tour" will be August 8th from 5-8p.m. Location TBD. Feb 6th will be our next committee meeting.

Logo requests will be submitted by principals from each campus.

CALENDAR

Calendar A was the majority of the votes and will go to the Board for approval on Feb 5th. Please email Leslie Garcia if you would like to be on the committee.
