F. The Judging of Candidates:

1. Judging will take place in a closed tryout after school on the day set by the sponsor, principal, and district cheerleading coordinator. Only current eighth-grade cheerleaders, candidates, sponsors, administrative personnel and score tabulators will be allowed in the judging portion of the tryouts.
2. Tryout order will be determined by a random drawing of numbers by the candidates.
3. An effort will be made to ensure that qualified judges are not related to any cheerleading candidate. Examples of qualified judges include, but are not limited to, NCA or UCA- trained instructors, cheerleader sponsors/coaches from other school districts, and college cheerleaders.
4. Candidates will be judged on a scale of one to five (five being highest) in the following categories: Entrance and Tumbling, Jumps, Cheer, Chant, Motion technique, Spirit and Enthusiasm, and Overall Impression. The maximum score a candidate can receive from each individual judge is 35.
5. Candidates will also be given a teacher recommendation form to be filled out by the candidate's current core teachers (reading, math, social studies, and science). Each teacher will score the student on Daily Attitude, Leadership, Respect for Authority, Initiative, and Rapport with Peers on a scale of one to five (five being the highest). The four teachers' scores will be averaged together and added to the judges scores with a maximum combined total score of 110.
6. Judging totals will be used to rank the candidates in order from the highest judging score to the lowest judging score. Candidates will earn judge ranking points based on the total number of candidates and their judge ranking.

If twenty-five or more students tryout, top scores from each grade level will be taken, with a maximum of twelve eighth graders and a maximum of ten seventh graders to form a maximum sixteen-person squad. If more than twenty-four (24) candidates tryout, a squad of fewer than twenty-four (24) may be formed due to a natural break in the scores; a natural break will consist of a separation of candidates by ten (10) or more points.
8. Candidates must be present in all classes in which they are enrolled on the day of judging unless excused in advance by a campus administrator or cheerleader sponsor.

- G. Final Ranking of Candidates/Selection:

A panel of scorekeepers will calculate judging ranking points. A maximum of 24 candidates with the highest points will be named cheerleaders. In the event of a tie, the following will be used to determine the winners:

 1. In the event of a tie, tabulators look at the Overall Total Scores given by each judge. The candidate with the two highest judge's scores will win the tie breaker.
 2. If a tie still exists, the tabulators will look at the "overall Impression" score given by each judge. The candidate with the two highest judge's scores will win the tie breaker.
 3. If a tie still exists, tabulators then look at the "Cheer" score given by each judge. The candidate with the two highest judge's scores will win the tie breaker.
 4. If a tie still exists, candidates will be re-judged on the cheer and jumps.
 5. Scores will be double checked by the scorekeepers and verified by the administrator on duty. Final tabulations will be written in ink.
- H. Results of tryouts will be shared electronically. Sponsors will notify candidates and parents of the date, time, and location for results to be posted.
- I. Score sheets will be secured after tryouts by a school administrator.
