Goose Creek Consolidated Independent School District

Stephen F. Austin Elementary

2025-2026 CIP Periodic Update - November 2025

Mission Statement

- We, the staff of Stephen F. Austin Elementary, accept the responsibility for providing a safe, orderly environment for learning.
- We believe in every student's ability to learn and realize success. In order to educate the "whole child," we will implement well-balanced educational curriculum that will help each child function in our multi-cultural society.
- We developed this mission based on the following beliefs:
 - All children can learn.
 - All children are unique.
 - All children desire and need a secure environment.
 - All children need opportunities to learn and be successful.

Vision

GATOR PRIDE

Positive and persistent

Relationships strengthened through collaboration

Inspiring others everyday

Developing knowledge and skills to be successful

Empowering students through engagement

Value Statement

Stay committed to being positive and reflective looking within for ways to improve.

Adapt to new situations.

Fully support each other's efforts and encourage one another while working collaboratively to help <u>all</u> students reach their highest potential.

Engage in professional development and professional learning communities to improve student learning and success.

Hold high expectations for student achievement and engage them in meaningful academic experiences while using time effectively and efficiently.

Build relationships with students, parents, colleagues and the community.

| Campus Funding Summary | 28 |

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- · Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Federal Report Card and accountability data
- Local Accountability Systems (LAS) data

Student Data: Assessments

- · State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student failure and/or retention rates
- · Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Prekindergarten Self-Assessment Tool
- Texas approved PreK 2nd grade assessment data
- State-developed online interim assessments
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data

- Special education/non-special education population including discipline, progress and participation data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records
- Student surveys and/or other feedback

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- T-TESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Action research results

Goals

Goal 1: STRATEGIC PLAN: ACADEMIC PERFORMANCE

Performance Objective 1: With campus Spring 2025 STAAR averages for RLA underperforming the state in most proficiency levels and grades, the campus goal is to perform at or above the state average in grades 3-5 without regression:

Campus [State] Performance for Spring 2025 RLA STAAR:

3rd Approaches 83 [78], 3rd Meets 59 [52], 3rd Masters 16 [22]

4th Approaches 83 [81], 4th Meets 50 [54], 4th Masters 24 [24]

5th Approaches 75 [81], 5th Meets 52 [58], 5th Masters 14 [30]

Campus Performance Target for Spring 2026 RLA STAAR:

3rd Approaches 88, 3rd Meets 64, 3rd Masters 23

4th Approaches 88, 4th Meets 55, 4th Masters 25

5th Approaches 82, 5th Meets 59, 5th Masters 31

Evaluation Data Sources: STAAR Results, Benchmark Assessments, CUA and CFA Data, Universal Screeners, and TELPAS Results

| Strategy 1: Ensure High-Quality Tier 1 Instruction: HQIM Implementation - Campus leaders, including TLCs, conduct walks to monitor the | | Formative | |
| implementation of Bluebonnet Learning. Insights from walks inform next steps (i.e. PLC guidance, campus PDs, 1:1 meetings, etc.). To support Strategy 1: | Nov | Feb | June |
| A-Team members conduct a minimum average of 2 classroom walks per instructional day of the week (i.e. a 4-day week will yield 8 walks per campus leader). A-Team members consistently use the TEA Bluebonnet Learning Fidelity of Implementation Tool which is provided for monitoring the implementation of RLA Bluebonnet Learning, a TEA approved High-Quality Instructional Material (HQIM). The observation tool will be translated into a Google form, allowing for quick analysis of inputted responses. A-Team members partner with Region 4 RLA Implementation Advisors in September to schedule quarterly campus implementation walks. During weekly A-Team meetings, "Walk Reflections" will be an ongoing agenda item, ensuring dedicated time for campus leaders to reflect on classroom walks and identify trends which will be sorted into "glows" and "grows". Within 5 workdays, "Grows" addressed during PLCs, TLC coaching cycles, and/or 1:1 conversations. Region 4 RLA Product Advisors to help address lesson internalization needs observed during classroom walks. Strategy's Expected Result/Impact: Improved instructional alignment and lesson delivery will lead to increased student mastery of grade-level standards. By the end of the year, all PLC teams will demonstrate proficiency in using data to drive instructional decisions, as measured by PLC artifacts, walkthroughs, and student growth data. Staff Responsible for Monitoring: Campus Principal | | | |
| Strategy 2 Details | For | mative Revi | ews |
| Strategy 2: Students are Engaged to Read, Talk, and Write Every Day - Teachers will use student engagement strategies to ensure all students | | Formative | |

Goal 1: STRATEGIC PLAN: ACADEMIC PERFORMANCE

Performance Objective 3: With campus Spring 2025 STAAR averages for Science underperforming the state in all proficiency levels, the campus goal is to perform at or above the state average without regression:

Campus [State] Performance for Spring 2025 Science STAAR: 5th Approaches 56 [64], 5th Meets 20 [29], 5th Masters 12 [12]

Campus Performance Target for Spring 2026 Science STAAR: 5th Approaches 70, 5th Meets 30, 5th Masters 15

Evaluation Data Sources: STAAR Results, Benchmark Assessments, CBA and CFA data, Universal Screeners, and TELPAS Results

| Strategy 1 Details | For | mative Revi | ews |
|---|-----|-------------|------|
| Strategy 1: Promote Engagement with Hands-On Investigations - Teachers will lead students in conducting at least 3 hands-on investigations | | Formative | |
| per unit. To support Strategy 1: - A-Team members and the Science TLC will participate in science PLC to ensure teachers are planning for hands-on investigations. | Nov | Feb | June |
| Instruction will prioritize student participation, exploration, and discovery rather than teacher-led demonstrations to build conceptual understanding and scientific thinking. 5th Grade Science teachers will PLC with the district specialist bi-weekly to ensure activities are being planned for an implemented 3rd-5th grade Science teachers will attend all Science C&Ps to learn Science best practices. | | | |
| Strategy's Expected Result/Impact: By the end of the school year, 100% of K-5 classrooms will implement hands-on science lessons at least three times per week. Student engagement and mastery of science TEKS will increase, as evidenced by classroom observations, student science journals, and district science assessments. Staff Responsible for Monitoring: Campus Princpal | | | |
