PRE-K/ EARLY CHILDHOOD ACADEMY UPDATE

Ms. Jackson opened up pre-k enrollment to staff. It has been a great turnout. 90% of the students have been able to enroll at the campus of the staff member. We placed 20-25 pre-k students as of today. Deadline for enrollment is this Friday.

Application process is open internally for Early Childhood Academy. Around 40 candidates have applied. Will begin interviewing in February. We are looking at providing a stipend to the employees that we hire due to the amount of training that will take place. Feeder pattern will be Sterling.

SIX WEEK VS NINE WEEK GRADING PERIOD

6-week vs 9-week grading period was discussed by Brandy Onken. We presented the draft to principals and had a positive response. An email was sent to committee members for review. Next step will be to take it to executive council for approval.

PRE-AP MOVING TO HONORS

Becky Robins spoke about the name change. All of HS courses and course guides are now listed as Honors. It is posted online. It is a title change due to not purchasing a particular curriculum. The opportunity is still there, but we prefer not to use that curriculum. AP label and AP courses are still available. Only the name "Pre-AP" has changed.
