

# Facilities Weekly Report

Volume II, Issue 4

Week of September 2-6, 2013

## Inside this issue:

New Elementary on Eastpoint 2

Crockett Parking Lot and Drive 3

Portable Classrooms 3

Robert E. Lee Parking Lot and Drive 3

## New Elementary - Hwy 146

Trees are being chipped and the site is still being cleared. Also, building pad work began this week.

### Bond

D. Fluker-Executive Director

Preparing the pad at the 146 site

## New Alamo Elementary - N. Main

Work is focused on completing drilled piers in preparation for grade beam work next week.

### Bond

B. Riggs-Project Manager

Building pad at N. Main and Archer Rd.

## New Elementary - Eastpoint

This week, we've completed work on drilled piers and the detention pond is close to completion. Work continues on the underground plumbing and grade beam construction.

**Bond**

B. Garcia—Project Inspector

Work is progressing at the New Elementary on Eastpoint.

### Crockett Parking Lot and Drive

This week, work progressed on the new entry of the south drive. Trenches at the entry were prepared for concrete. Also, all existing gates and gate posts were removed in anticipation of new fencing and gates.

B. Garcia-Project Inspector

### Portable Classrooms-Hopper

Leg parts arrived and were installed on the portable ramp. Also, all of the awning work was completed.

**Non Bond**

T. Ortman-Project Inspector

### Robert E. Lee

The parking lot area is continually being prepared for new paving. This week, all grading was completed, along with the addition of lime slurry. The area is now being compacted.
