	2.		luate the student's ability to manage and level of under- nding of the student's diabetes; and	
	3.	Bes	signed by the parent or guardian and the physician.	
Submission to School		-	nt or guardian must submit the DMTP to the school, and of must review the plan:	
	1.	Bef	ore or at the beginning of the school year;	
	2.		enrollment of the student, if the student enrolls after the inning of the school year; or	
	3.		soon as practicable following a diagnosis of diabetes for student.	
	Hea	lth ar	nd Safety Code 168.002	
Individualized Health Plan	signee, a school, s student. dent's pa cian resp		eiving the student's DMTP, the school principal, or de- ind the school nurse, if a school nurse is assigned to the hall develop an individualized health plan (IHP) for the The IHP shall be developed in collaboration with the stu- irent or guardian and, to the extent practicable, the physi- ionsible for the student's diabetes treatment and one or he student's teachers.	
	A student's IHP must incorporate components of the student's DMTP, including the information required under Health and Safety Code 168.002(b) [see Required Elements, above].			
	Hea	lth ar	nd Safety Code 168.001(3), .003	
Independent Monitoring and Treatment	dent	t to a	lance with the student's IHP, a school shall permit the stu ttend to the management and care of the student's diabe- h may include:	
	1.	Per	forming blood glucose level checks;	
DATE ISSUED: 11/13/20	019		1 of	6

	2.	Administering insulin through the insulin delivery system the student uses;		
	3.	Treating hypoglycemia and hyperglycemia;		
	4.	Possessing on the student's person at any time any supplies or equipment necessary to monitor and care for the student's diabetes; and		
	5.	Otherwise attending to the management and care of the stu- dent's diabetes in the classroom, in any area of the school or school grounds, or at any school-related activity.		
	Hea	Health and Safety Code 168.008		
Required Care	Each school shall adopt a procedure to ensure that a school nurse or at least one unlicensed diabetes care assistant (UDCA) is pre- sent and available to provide the required care to a student with di- abetes during the regular school day. A district may not restrict the assignment of a student with diabetes to a particular campus on the basis that the campus does not have the required UDCAs. <i>Health and Safety Code 168.007(c)–(d)</i>			
	ble,	school nurse is assigned to a campus and the nurse is availa- the nurse shall perform the tasks necessary to assist a student diabetes in accordance with the student's IHP.		
School Nurse Not Available	is no assi com UD(school nurse is not assigned to the campus or a school nurse ot available, a UDCA shall perform the tasks necessary to ist the student in accordance with the student's IHP and in upliance with any guidelines provided during UDCA training. A CA may perform these tasks only if the parent or guardian of student signs an agreement that:		
	1.	Authorizes a UDCA to assist the student; and		
	2.	States that the parent or guardian understands that a UDCA is not liable for civil damages [see Immunity from Liability, be-low].		
	Hea	Health and Safety Code 168.007(a)		
	lf a	school nurse is not assigned to a campus:		
	1.	A UDCA must have access to an individual with expertise in the care of persons with diabetes, such as a physician, a reg- istered nurse, a certified diabetes educator, or a licensed die- titian; or		
	2.	The principal must have access to the physician responsible for the student's diabetes treatment.		
	Hea	alth and Safety Code 168.007(b)		

Unlicensed Diabetes Care Assistants	At each school in which a student with diabetes is enrolled, the principal, or designee, shall:				
	1.	1. Seek school employees who are not health-care prof als to serve as UDCAs and to care for students with o and			
	2.	Mak	Make efforts to ensure the school has:		
		a.	At least one UDCA if a full-time nurse is assigned to the school; and		
		b.	At least three UDCAs if a full-time nurse is not assigned to the school.		
	"School employee" means a person employed by a school, a local health department that assists the school under Health and Safety Code Chapter 168 (Care of Students with Diabetes), or another en- tity with whom the school has contracted to perform its duties un- der that chapter.				
	"Unlicensed diabetes care assistant" means a school employee who has successfully completed the required training [see UDCA Training, below].				
	A school employee may not be subject to any penalty or discipli- nary action for refusing to serve as a UDCA.				
	A UDCA shall serve under the supervision of the principal.				
	Health and Safety Code 168.001(5)–(6), .003–.004				
UDCA Training	If a school nurse is assigned to a campus, the nurse shall coordi- nate the training of school employees acting as UDCAs. Training for UDCAs must be provided by a health-care professional with ex- pertise in the care of persons with diabetes or by a school nurse. The training must include instruction in the elements set forth at Health and Safety Code 168.005(d).				
	Training must be provided before the beginning of the school year or as soon as practicable following:				
	1.		enrollment of a student with diabetes at a campus that viously had no students with diabetes; or		
	2.		agnosis of diabetes for a student at a campus that previ- ly had no students with diabetes.		
	The school nurse or principal shall maintain a copy of the trainin guidelines and any records associated with the training.				
	Health and Safety Code 168.005				

	Note:	Guidance for the care of students with diabetes is available on the <u>Texas Department of State Health Services</u> (TDSHS) website. ¹		
Information to Employees	A district shall provide to each district employee who is responsible for providing transportation for a student with diabetes or supervis- ing a student with diabetes during an off-campus activity a one- page information sheet that:			
	1. Identifies the student who has diabetes;			
	the	ntifies potential emergencies that may occur as a result of student's diabetes and the appropriate responses to such ergencies; and		
		ovide the telephone number of a contact person in case of emergency involving the student with diabetes.		
	Health and Safety Code 168.006			
Immunity from Liability	A school employee may not be subject to any disciplinary proceed- ing, as defined by Education Code 22.0512(b), resulting from any action taken in compliance with Health and Safety Code Chapter 168. The requirements of Chapter 168 are considered to involve the employee's judgment and discretion and are not considered ministerial acts for purposes of immunity under Education Code 22.0511. <i>Health and Safety Code 168.009(a)</i> [See DG]			
	A school nurse is not responsible for and may not be subject to dis- ciplinary action under Occupations Code Chapter 301 for actions performed by a UDCA. <i>Health and Safety Code 168.009(b)</i>			
	A UDCA who assists a student as provided above [see Required Care, above] in compliance with the student's IHP:			
	sio	not considered to be engaging in the practice of profes- nal or vocational nursing under Occupations Code Chapter 1 or other state law; and		
	the	exempt from any applicable state law or rule that restricts activities that may be performed by a person who is not a alth-care provider.		
	A UDCA may exercise reasonable judgment in deciding whether to contact a health-care provider in the event of a medical emergency involving a student with diabetes.
