E. Working Group: SHAC Reflection & Self-Assessment

Members worked in small groups to discuss the following questions:

1. What plans and activities did your subcommittee participate in that were based on the needs in 2021-2022?
2. How can we improve the process for communication for community and student input on school health issues and SHAC activities, as well as processes for communication to the community from the SHAC?
3. What school health priority areas do you feel the SHAC should focus on as a whole in 2022-2023?

Members shared ideas for improving communication to the community and receiving input. Priority areas that were shared during the meeting included the need for human sexuality education; physical fitness; addressing the physical, mental, social, and emotional needs; communication of resources and clarification of opt-in/out; mental health for teachers, students, and other staff members; nutrition education; family engagement resources.

F. Upcoming Opportunities
