

## Home Access: Parent Instructions

Students can now access Waterford Early Learning at home. Proper set-up will make it easy for your child to begin a session on their own with just a few clicks.

### PARENTS

#### Activate your child's account.

1. Open the Home Access email you received from Waterford.
2. Click on the **Waterford Home Access** link.
3. Validate your child's account by entering their birthdate. **(A)** This only needs to be done on first login, or when the passcode is reset.

4. Allow your child to select a passcode. **(B)**
5. Click **Save**.
6. Bookmark the link. **(C)** Make sure the bookmark bar is visible. **(D)**.

### STUDENTS

#### Show your child how to start a session.

1. Click the bookmark. **(E)**

2. Enter the passcode. **(F)**

3. Choose a course. **(G)**
