SETUP YOUR PREFERENCES

Explore	Video Tutorials
<p>Go to your Snap & Read Icon and right click and choose Options in the menu.</p> 	<p>Show-Me-How Video How to Adjust the Options in Snap&Read Universal</p>
Apply	Your Task
<p>Try the different options</p> 	<p>Change your voice Change the speed</p> <p>If English is not your primary language-change it now</p>

READING SUPPORTS

Explore	Video Tutorials
 <p>Click the speaker then click any text and it will read it to you! Click anywhere to stop the speech.</p>  <p>If that doesn't work, try the OCR tool. Click at the top corner and click on the opposite side bottom corner. (Use like a crop button)</p>	<p>Show-Me-How Video ~ There are 2 videos you can watch:</p> <p>How to Use the Speak All Tool in Snap&Read Universal</p> <p>Using the OCR Tool to Read with Snap&Read Universal</p>
Apply	Your Task
<p>Use this tool to read entire pages or turn any digital book into an audio book. This feature is also a great proofreading tool! Have it read your papers back to you to find mistakes easily.</p>	<p>Notes:</p>

DYNAMIC TEXT LEVELER

Explore	Video Tutorials
 <p>Dynamic Text Leveler It takes the hard words and makes them easier to understand. Click the icon and then click the page you want it to auto level. Any words changed will now be in italics. When you scroll over the changed word, it will show you the original words.</p>	<p>Show-Me-How Video</p> <p>DYNAMIC TEXT LEVELER.</p>
Apply	Your Task
<p>Use this to adjust higher level reading or raise the difficulty to learn new words!</p>	<p>Notes:</p>

STUDY TOOLS PART I NOTE TAKING

Explore	Video Tutorials
<p>Click  found at the bottom of the toolbar.</p> <p>Highlight important text and then click  To capture in your notes window.</p>	<p>Show-Me-How Video ~ How to use the Note Taking feature of Snap&Read Universal in the left column</p>
Apply	Your Task
<p>Lots of people take notes when they read. Think of the classes you will need to take notes.</p>	<p>Notes::</p>

STUDY TOOLS PART 2 ORGANIZING YOUR WRITING

Explore

[How to use the new Outline Templates in Snap&Read Study Tools](#) in the left column

Apply

Outline templates can help you organize your writing. They can also guide you in your reading comprehension

Your Task

Explore the different outline templates. What template do you think you will try when you have a writing assignment.

TRANSLATION (WORKS ONLY IF YOU CHANGED YOUR PRIMARY LANGUAGE IN OPTIONS)

Explore	Video Tutorials
<p>Select Text then click </p> <p>The Text will change to your primary language chosen in Options</p>	<p>Show-Me-How Video</p> <p>Snap&Read Universal Translate Feature</p>
Explain	Your Task
<p>If you want use the  to have it read to you in your language (works for most languages)</p> <p>Also try  and see how it also gives you a simple definition in your primary language.</p>	<p>Translate text</p> <p>Then use the dynamic text leveler</p>
Apply	Your Task
<p>Translation isn't perfect. It is best for words, or phrases.</p> <p>This tool is also great if you are studying another language. Challenge yourself by switching to the foreign language regularly.</p>	<p>Notes:</p>
