MESSAGE FROM PRINCIPAL

Nathan Chaddick
PRINCIPAL

Dear Ross S. Sterling HS Class of 2025,

Thirteen years has flown by and now you have reached the pinnacle of your K-12 experience. Seeing your smiling faces as you walk through the halls, cheering you on at your games and performances, relishing in your successes and comforting you when you needed it the most has been one of the highlights of my life.

As you contemplate on your next journey; whether it be college, career, the military or even a "break year," know that you will always have the full support of your Sterling Ranger family. Take this time to reflect on the experiences you gained throughout your time in the district and use them to project you forward towards a more successful future.

One of my favorite musicians is Frank Sinatra. I'm sure many of you have probably never heard of Frank Sinatra, but he is arguably one of the greatest musicians of all time. He was a young man, born to immigrant parents, from very humble beginnings that took what life gave him and made magic. That is exactly how I feel about all of you. One of my favorite songs by Sinatra is entitled, "My Way." There are so many gems that he included in this song, but it is the words he wrote in the third verse that not only resonate with my life, but I'm sure will resonate with yours as you embark upon this critical journey in your lives. "Yes, there were times, I'm sure you knew when I bit off more than I could chew, but through it all, when there was doubt, I ate it up and spit it out, I faced it all, and I stood tall and did it my way." As students, you have faced some challenges that could have easily derailed you, but instead of retreating, you took the bull by the horns and pushed through. That is what being a GIANT is all about.

On behalf of your Ross S. Sterling High School family, we congratulate you on this major milestone and wish you the best that life has to offer. You have completed this race and now you are ready to tackle the next hurdle. It has truly been an honor to serve as your principal and I will sincerely miss you all.

Best wishes,

Nathan Chaddick
Ross S. Sterling High School
Principal

MESSAGE FROM SUPERINTENDENT

Dear Graduates of the Class of 2025,

As you celebrate your graduation, I want to take a moment to recognize the significance of this milestone and the extraordinary path you have walked to reach it. This moment reflects years of hard work, determination, and perseverance, not just from you but also from the families, educators, and mentors who have supported you along the way.

You have achieved something remarkable, and you have done so during a time of challenge and change. Your high school experience may have looked different than you imagined when it first began, but your adaptability, resilience, and drive have set you apart. These qualities will continue to serve you well as you take your next steps into the future.

Graduation is more than a ceremony. It is a rite of passage that signals your readiness to step into a world that needs your voice, compassion, and leadership. Whether your path leads to college, career, military service, or another calling, I encourage you to move forward with confidence. Embrace the opportunities that lie ahead, stay curious, and never stop learning. Remember that true success is not only measured by accomplishments but by the character and integrity you carry with you along life's journey.

In Goose Creek CISD, we often talk about growing Giants, students who dream big, work hard, and leave their communities better than they found them. As graduates, you are now part of that legacy. You are our pride and our promise. You have shown that greatness comes not from ease but persistence and the belief that you and your efforts matter.

Thank you for being part of our story. You have inspired, challenged, and given us hope for the future. As you go forward, know you will always be part of our Goose Creek family. We are so very proud of you. On behalf of our teachers, administrators, and the Board of Trustees, we extend our love and best wishes for a bright future.

Congratulations, Class of 2025.

Sincerely,

Dr. Randal O'Brien, Ed.D.

PLEASE SEE DISCLAIMER BELOW:

The students who will be speaking at the graduation ceremony were selected based on neutral criteria to deliver messages of the students' own choices. The content of each student speaker's message is the private expression of the individual student and does not reflect any position or expression of the school district or the board of trustees, or the district's administration, or employees of the district, or the views of any other graduate. The contents of these messages were prepared by the student volunteers, and the district refrained from any interaction with student speakers regarding the student speakers' viewpoints on permissible subjects.
