## MESSAGE FROM PRINCIPAL

---

**Kelley Start**  
PRINCIPAL

Dear Goose Creek Memorial Graduating Class of 2026,

It is with great pride and heartfelt congratulations that I celebrate this incredible milestone with you. Over my time at Goose Creek Memorial, I have had the privilege of watching this class grow, lead, and leave a lasting impact on our campus. You have set a tone of resilience, unity, and school pride that will be felt for years to come.

This year has been a powerful reflection of who you are, a class that rises to challenges, supports one another, and represents the very best of our school community. Your energy, determination, and commitment have shaped not only your own success but also the experiences of those around you. You've shown that true strength is found in perseverance, character, and the ability to lift others up along the way.

Each of you carries a unique story, one filled with effort, growth, and purpose and today marks the beginning of your next chapter. Whether your **NEXT LEVEL** leads to college, career, service, or new opportunities, you do so equipped with the skills and values that define Goose Creek Memorial High School.

As you walk across the stage, take pride in all you have accomplished and in the person you have become. Know that your legacy here matters, and it will continue to inspire future Patriots. **Stay RED – Stay Ready, Stay Empowered, Stay Driven!**

Congratulations, Class of 2026. It has been an honor to serve as your principal, and I am incredibly proud of you.

Your Proud Principal,

A handwritten signature in black ink that reads "Kelley A. Start". The signature is written in a cursive, flowing style.

## MESSAGE FROM SUPERINTENDENT

---

Dear Graduates of the Class of 2026,

As we celebrate this important milestone, I want to congratulate each of you on reaching this moment. Graduation represents years of hard work and growth, and tonight reflects all you have accomplished throughout your journey in Goose Creek CISD.

During my first semester as superintendent, I have had the opportunity to meet students and learn more about the strength of this district. One thing that has stood out to me the most is our students' dedication and determination. Whether in academics, athletics, fine arts, career and technical education, or service to others, the Class of 2026 has represented Goose Creek CISD with pride and excellence.

As you prepare for what comes next, I encourage you to continue setting high expectations for yourselves and to approach each new opportunity with confidence and purpose. The experiences you have gained during your time in Goose Creek CISD have helped prepare you for the future, and I am confident you will continue to grow and succeed in the years ahead.

No matter where your path leads, remember the lessons, relationships, and experiences that have shaped you along the way. Carry forward the resilience and sense of community that define what it means to be a Giant.

I also want to thank the families, educators, and staff members who have supported our graduates throughout this journey. Your encouragement and commitment have played an important role in helping students reach this milestone.

Graduates, congratulations once again on this achievement. We are proud of you and look forward to all you will accomplish in the future.

Congratulations, Class of 2026!

Sincerely,

Joe Rodriguez, Ed.D.  
Superintendent of Schools  
Goose Creek Consolidated Independent School District

### PLEASE SEE DISCLAIMER BELOW:

The students who will be speaking at the graduation ceremony were selected based on neutral criteria to deliver messages of the students' own choices. The content of each student speaker's message is the private expression of the individual student and does not reflect any position or expression of the school district or the board of trustees, or the district's administration, or employees of the district, or the views of any other graduate. The contents of these messages were prepared by the student volunteers, and the district refrained from any interaction with student speakers regarding the student speakers' viewpoints on permissible subjects.
