Dear Parent,

The 2022-2023 School Report Cards (SRC) for the district and the district's campuses are now available on the district's website (www.gccisd.net) under accountability and online at [TEA School Report Card](#).

This report is required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR®), College, Career, and Military Readiness, as well as information on student enrollment, class size averages, and financial expenditures.

Due to judicial proceedings, the release of the 2023 School Report Card was significantly delayed. Alongside our 2023 School Report Card, we encourage you to visit TXschools.gov to learn more about our school's performance in the 2022-2023 school year.

The information contained in the School Report Card is required by state law and much of the technical language used is defined and described in the enclosed "2023 School Report Card Definitions." The report for our school may or may not have all the information described because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the School Report Card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socioeconomic status of the students and must include at least two years of results.

If you have difficulty accessing the information from the website, hard copies of the reports are available at the district or campus office. If you have questions about the information, please contact your child's campus principal.

Thank you for partnering with us in delivering the highest quality education possible for every student.

Sincerely,

Dr. Randal O'Brien, Ed.D.
Superintendent of Schools
Goose Creek Consolidated Independent School District
