

DUAL CREDIT

YOU WON'T REGRET IT!

Why Dual Credit?

Save Time

Earn high school credit and college credit for the same course.

Transferability

Core classes will transfer with a grade C or higher to Texas Public Universities.

The College Experience

College courses are taught on your campus by Lee College professors and/or college certified high school instructors.

Save Money

Dual credit provides students the opportunity to save on future college expenses due to earning college credit while in high school.

Dual Credit is a process by which a high school student enrolls in a college course and receives simultaneous academic credit for the course from both the college and the high school. This is a wonderful opportunity for a student to save both time and money!

In order to enroll in a Dual Credit course, the student must complete a series of steps that are involved in the registration process. One of these steps includes parental permission to enroll in a Dual Credit course through Goose Creek CISD.

In order to be eligible to receive high school credit for a dual credit course, a GCCISD student must have first met with his/her high school campus counselor and received written approval through the counselor to take the course and written approval from the parent/guardian for the student to register for the course. This process requires the completion of the GCCISD Dual Credit Registration Packet with all required signatures. A student will not be eligible for high school credit if a GCCISD Dual Credit Registration Packet was not completed, with all required signatures, in advance of enrolling in the college course. This includes dual credit courses taken during the summer months and after school hours.

Since it is a college course, six-week report card grades are not provided. However, a numerical grade is provided at the end of the course. The numerical grade is recorded on the high school transcript. A letter grade will be recorded on the permanent college transcript.

Grades are confidential, and are only available to the student, unless the student signs a FERPA (Family Educational Rights and Privacy Act) form with Lee College.

For more information, contact your student's counselor.
